PRACTO TECHNOLOGIES PRIVATE LIMITED
INTERN INVENTION ASSIGNMENT AND TRANSFER AGREEMENT

In consideration of, and as a condition of my employment with Practo Technologies Private Limited (the "**Company**"), and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I, as the "**Intern**" signing this Intern Invention Assignment and Transfer Agreement (this "**Agreement**"), hereby represent to the Company, and the Company and I hereby agree as follows:

Purpose of Agreement. I understand that the Company is engaged in a continuous program of research, development, providing products and services, marketing, sales and other activities in connection with the current and projected business of the Company and its holding company (collectively, the "***Practo Group***"), and that it is critical for the Company to preserve and protect the proprietary information, rights in certain inventions and works and related intellectual property rights of the Company and the other Practo Group companies. Accordingly, I am entering into this Agreement, whether or not I have created or I am expected to create inventions or other works of value for the Practo Group. As used in this Agreement, "***Inventions***" means inventions, improvements, designs, original works of authorship, formulas, processes, compositions of matter, computer software programs, databases, mask works, confidential information and trade secrets.

Disclosure of Inventions. I will promptly disclose in confidence to the Company, or to any person designated by it, all Inventions that I make, create, conceive or first reduce to practice, either alone or jointly with others, during the period of my employment, whether or not in the course of my employment, and whether or not patentable, copyrightable or protectable as trade secrets.

Work for Hire; Assigned Inventions. I acknowledge and agree that any copyrightable works prepared by me within the scope of my employment will be "works made for hire" under the Copyright Act and that the Company will be considered the author and owner of such copyrightable works. I agree that all Inventions that I make, create, conceive or first reduce to practice during the period of my employment, whether or not in the course of my employment, and whether or not patentable, copyrightable or protectable as trade secrets, and that (i) are developed using equipment, supplies, facilities, proprietary information or trade secrets of the Company or other Practo Group companies; (ii) result from work performed by me for the Company or other Practo Group companies; or (iii) relate to the business or actual or demonstrably anticipated research or development of the Practo Group, including the Company (the "***Assigned Inventions***"), will be the sole and exclusive property of the Company.

Excluded Inventions and Other Inventions. Attached hereto as Exhibit A is a list describing all existing Inventions, if any, that may relate to the Practo Group's business or actual or demonstrably anticipated research or development and that were made by me or acquired by me prior to the Effective Date and which are not to be assigned to the Company ("***Excluded Inventions***"). If no such list is attached, I represent and agree that it is because I have no rights in any existing Inventions that may relate to the business or actual or demonstrably anticipated research or development of the Practo Group. For purposes of this Agreement, "***Other Inventions***" means Inventions in which I have or may have an interest, as of the Effective Date or thereafter, other than Assigned Inventions and Excluded Inventions. I acknowledge and agree that if, in the scope of my employment, I use any Excluded Inventions or any Other Inventions, or if I include any Excluded Inventions or Other Inventions in any product or service of the Prcato Group or if my rights in any Excluded Inventions or Other Inventions may block or interfere with, or may otherwise be required for, the exercise by the Practo Group of any rights assigned to the Company under this Agreement, I will immediately so notify the Company in writing. Unless the Company and I agree otherwise in writing as to particular Excluded Inventions or Other Inventions, I hereby grant to the Company, in such circumstances (whether or not I give the Company notice as required above), a perpetual, irrevocable, nonexclusive, transferable, worldwide, royalty-free, fully paid up license to use, disclose, make, have made, perform, execute, market, license, sell, offer to license, offer to sell, import, export, copy, distribute, modify and create works based on, perform, display or otherwise exploit such Excluded Inventions and Other Inventions, in whole or in part, and to sublicense third parties in one or more tiers of sublicenses with the same rights.

Exception to Assignment. I understand that the Assigned Inventions will not include, and the provisions of this Agreement requiring assignment of inventions to the Company do not apply to, any invention that I develop entirely on my own time without using the equipment, supplies, facilities, or trade secret information of the Practo Group except for those inventions that (i) relate at the time of conception or reduction to practice of the invention to the business, or actual or demonstrably anticipated research or development of the Practo Group, (ii) result from any work performed by me for the Practo Group, or (iii) qualifies fully for exclusion under the applicable laws of the state in which I am employed.

Assignment of Rights. I agree to assign, convey and transfer, and do hereby irrevocably assign, convey and transfer, to the Company: (i) all of my rights, title and interests in and with respect to any Assigned Inventions; (ii) all patents, patent applications, copyrights, mask works, rights in databases, trade secrets, and other intellectual property rights, worldwide, in any Assigned Inventions, along with any registrations of or applications to register such rights; and (iii) to the extent assignable, any and all Moral Rights (as defined below) that I may have in or with respect to any Assigned Inventions. I also hereby forever waive and agree never to assert any Moral Rights I may have in or with respect to any Assigned

Inventions and any Excluded Inventions or Other Inventions licensed to the Company under Section 4, even after termination of my employment. "***Moral Rights***" means any rights to claim authorship of a work, to object to or prevent the modification or destruction of a work, to withdraw from circulation or control the publication or distribution of a work, and any similar right, regardless of whether or not such right is denominated or generally referred to as a "moral right."

Assistance. I will assist the Company in every proper way to obtain and enforce for the Company all patents, copyrights, mask work rights, trade secret rights and other legal protections for the Assigned Inventions, worldwide. I will execute and deliver any documents that the Company may reasonably request from me in connection with providing such assistance. My obligations under this section will continue beyond the termination of my employment. I hereby appoint the Secretary of the Company as my attorney-in-fact to execute documents on my behalf for this purpose. I agree that this appointment is coupled with an interest and will not be revocable.

Confidentiality. I understand that my employment creates a relationship of confidence and trust with respect to any information or materials of a confidential or secret nature that may be invented, made, created or discovered by me or that may be disclosed to me by, or that I have access to, from the Company or another Practo Group company. At all times, both during my employment and after its termination, I will keep and hold all information in strict confidence and trust and I will be bound by the Non-Disclosure Agreement dated **23rd March 2022.**

Indemnification. I will defend, indemnify, and hold harmless the Practo Group, and its officers, directors, shareholders, successors, and assigns, from and against all losses, liabilities, and costs including, without limitation, reasonable attorneys' fees, expenses, penalties, judgments, claims and demands of every kind and character that the Practo Group, its officers, directors, shareholders, successors, and assigns may incur, suffer, or be required to pay arising out of, based upon, or by reason of: my use of the Assigned Inventions prior to the date of this Agreement; or my failure to perform its obligations under this Agreement.

Injunctive Relief. I understand that a breach or threatened breach of this Agreement by me may cause the Company and the other Practo Group companies to suffer irreparable harm and that the Company will therefore be entitled to injunctive relief to enforce this Agreement.

Governing Law; Severability. This Agreement is intended to supplement, and not to supersede, any rights the Company and the other Practo Group companies may have in law or equity with respect to the duties of its Interns and the protection of its trade secrets. This Agreement shall be governed by and construed in accordance with the laws of India with the courts in Bangalore assuming exclusive jurisdiction

on all matters hereunder. If any provision of this Agreement is invalid, illegal or unenforceable in any respect, such provision will be enforced to the maximum extent possible, given the fundamental intentions of the parties when entering into this Agreement. In consideration of my employment by **Deloitte Consulting India Private Limited**, an Employer incorporated under the provisions of the Companies Act, 1956 and having its registered office **Deloitte Tower, Survey No. 41, Gachibowli Village, Ranga Reddy District, Hyderabad - 500032, Telangana, India** (the "Employer") as **Analyst Trainee** and other valuable consideration, I acknowledge and agree that:

2. *Pre-existing Agreements or Arrangements*. I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Agreements or Arrangements*. The Employer expects me to abide by all restrictions or obligations that are contained in such Pre-existing Agreements or Arrangements and to avoid involvement, while employed by the Employer, in any matter that could pose a conflict as a result of confidential information or intellectual property obtained by me prior to my *Employment*. I further represent that none of these restrictions or obligations, including those set forth in any non-compete agreements with prior employers, is inconsistent with my acceptance of the Employer's offer of *Employment* or my becoming, and serving as, **Analyst Trainee** of the Employer. To the extent applicable and if I am joining the Employer after having served as an employee or official of the United States Government, I further represent that: (1) I have disclosed my prior participation, if any, in any discussions or negotiations with, or decisions to award contracts to, the Deloitte U.S. Firms while I was employed by the United States Government; and (2) I had either recused myself or had not played an active role in the applicable United States Government agency's decision to award any contracts to the Deloitte U.S. Firms while I was employed by the United States Government.

PROTECTION OF OUR BUSINESS

3. Reporting of *Proceedings.* Except as provided by law and except as I have disclosed in writing on **Exhibit C** to this Agreement, I represent and warrant that I have no *Proceedings* to report. Should I become a subject of any *Proceedings* during my association with the Employer, I agree to immediately report, in writing, all relevant facts to the Chief Talent Officer of Deloitte LLP, the Regional Talent Director of the Employer, and the Chief Ethics and Compliance Officer of Deloitte LLP. I understand that my responses are subject to audit and review by the Employer and others in accordance with applicable professional, ethical, legal, or Employer requirements, rules, regulations, policies, or practices, or other requests.

4. Confidentiality. I acknowledge that, by virtue of my *Employment*, I will acquire and be exposed to, have access to, make use of and/or create *Confidential Information*. Therefore, I agree to hold in trust and confidence all such *Confidential Information*. I will neither disclose any such *Confidential Information* to anyone outside a *Deloitte Entity* without the prior written approval of an *Authorized Signatory*, except as required by my authorized duties for the Employer, nor use any such *Confidential Information* for any purpose other than for the benefit of a *Deloitte Entity.*

5. Third Party Information and Property. I agree that during my *Employment*, I shall not use or disclose any confidential information or intellectual property of any former employer or other person or entity without the prior written authorization of such employer, person or entity and the prior written consent of an *Authorized Signatory*. If I were to use or disclose any such Confidential Information or Intellectual Property without prior consent, and any of the *Deloitte Entities* become the subject of any claim from a third party regarding such unauthorized use or disclosure, I agree to hold harmless and indemnify the *Deloitte Entities* for any legal defense costs and/or damages related to any such claim.

6. Authorization. Only employees of the Employer holding a senior or managerial position with the Employer will be authorized by a specific authorization, delegation, or power of attorney to sign legal documents, representing the Employer. During the period of my *Employment* I will not, directly or indirectly, participate in or in any way render services or assistance to any business that is or may be competitive with a *Deloitte Entity*, whether or not for compensation, or engage in any conduct which might result in, or create the appearance of using my position for private gain or other than for the benefit of a *Deloitte Entity*, or otherwise create a conflict, or the appearance of a conflict, of interest with a *Deloitte Entity*. Such conduct shall include, but not be limited to, having an undisclosed financial

interest in any vendor or supplier of a *Deloitte Entity*, accepting payments of any kind or gifts other than of a nominal value from vendors, clients or suppliers, or having an undisclosed relationship with a family member or other individual who is employed or associated with any entity in active or potential competition with a *Deloitte Entity*, and which creates a conflict of interest. 8. *Authorization to Access Systems and Electronic Communications and use of Deloitte Property.* I understand that while employed with a *Deloitte Entity*, I will use and have access to the Systems. I also acknowledge that a *Deloitte Entity* has the right at any time to access, retrieve, delete, monitor, examine, use and/or disclose my Electronic Communications and information from (or about) me and the content, without notice to me, and that such *Electronic Communications* are considered part of a *Deloitte Entity's* business and client records and are not to be considered private or personal to me or any other *Personnel*. I further acknowledge that this right extends to *Electronic Communications* transmitted for either a business or personal purpose.

I agree that I am authorized to access the *Systems* only for approved business purposes and occasional personal use if such use does not interfere with my work responsibilities and other required business activities, business operations, or *Systems* performance. However, I also acknowledge that such occasional personal use does not create an expectation of privacy as to any of my personal *Electronic Communications* and, as such, are *Deloitte Property*.

I further acknowledge that I am not authorized to use the *Systems* for personal gain or any illegal or unethical use. I agree that under no circumstances am I authorized to access any of the *Systems* for the purpose of obtaining *Deloitte Property* for a competitor of a *Deloitte Entity*, transmitting *Deloitte Property* to me (e.g., emailing *Confidential Information* to my personal email address) or to a third party for purposes other than furthering the business objectives of a *Deloitte Entity*. I am not authorized to download a *Deloitte Entity's Confidential Information* or other *Deloitte Property* to removable media such as a CD Rom, disk or thumb drive other than as authorized for furthering the business objectives of a *Deloitte Entity*.

I will be responsible for the safe keeping and return in good condition and order of all the *Deloitte Property* that may be in my use, custody, care or charge. For the loss of any *Deloitte Property* in my possession or custody or for which I have been assigned responsibility, the Employer will have a right to assess on its own basis and recover from me, the damages in respect of such materials (out of the amounts due to me or otherwise) and to take such other legal action as it deems appropriate including termination of my employment without notice or payment in lieu thereof in the event of my failure to account for such material or property to its satisfaction.

9. *Security.* I am provided with a worktable and lockable storage space. I will ensure they are locked when unattended and understand that a duplicate key will only be provided if I sign for it. I am required to display my identity card to the appropriate security personnel on demand and at all times within the office premises.

10. Ownership of *Works*.

a. I agree that the Employer owns all rights, title and interest in and to all *Works*.

b. I agree that all *Works* are deemed works made for hire under India copyright or applicable laws or equivalent laws of any applicable foreign jurisdiction, and all *Intellectual Property Rights* therein vest automatically in the Employer upon creation of the *Works*. I agree that, to the extent any *Work* is held not to be a work made for hire, I hereby irrevocably assign all *Intellectual Property Rights* in the *Work* to the Employer. Notwithstanding anything contained in Section 19(4) of the Indian Copyright Act, 1957, I agree that such assignment shall continue to be in force for perpetuity irrespective of whether or not the Employer exercises its rights as the assignee for any period of time.

c. I will at all times, even after termination of my *Employment*, do whatever the Employer reasonably requests of me, at the Employer's expense, to document the assignment of any *Works* to the Employer or to assist the Employer in pursuing, renewing, extending or assigning any *Intellectual Property Rights*, and otherwise perfecting, protecting and enforcing said *Intellectual Property Rights* in, any *Works*. I agree that, as between me and the Employer, the Employer shall be the sole author, inventor, and owner of all such *Works* and *Intellectual Property Rights* therein throughout the world, and that the Employer shall have the sole right to seek copyright registrations, patents or trademark registrations, including all extensions and renewals thereof. I also hereby agree that I waive all moral rights in any *Works*.

I also agree to assign all my right, title and interest in and to any particular *Works* to a third party as directed by the Employer.

In the event the Employer is unable for any reason, after reasonable effort, to secure my signature on any document needed in connection with the actions specified in the preceding paragraphs, I hereby irrevocably designate and appoint the Employer and its duly authorized officers and agents as my agent and attorney in fact, which appointment is coupled with an interest, to act for and in my behalf to execute, verify and file any such documents and to do all other lawfully permitted acts to further the purposes of the preceding paragraphs with the same legal force and effect as if executed by me. I hereby waive any and all claims, of any nature whatsoever, which I now or may hereafter have for infringement of any *Works* assigned hereunder to the Employer.

d. During a 12 month period after termination of my *Employment*, I agree that any *Intellectual Property* I create or conceive that results from and is related to any work assigned to or performed by me for the Employer, or that was created using *Deloitte Property*, is a *Work* that is subject to Paragraph 10 (b) above. For purposes of clarification, the foregoing provision is in addition to, and not in limitation of, any rights and remedies the Employer may have under the applicable laws protecting *Intellectual Property* of the *Deloitte Entities*.

e. I agree to keep and maintain adequate and current records (in the form of notes, sketches, drawings and in any other form that may be required by the Employer) of all *Works* developed by me during the period of my employment with the Employer, which records shall be available to and remain the sole property of the Employer at all times.

11. *Pre-existing Creations*; *Personal Creations*. My obligations in Paragraph 10 do not apply to *Pre-existing Creations* and *Personal Creations*. I warrant and agree that I have listed on **Exhibit B** all *Pre-existing Creations*. I acknowledge and agree that I will not assert any ownership rights against the *Deloitte Entities*, or their respective clients, with respect to any *Pre-existing Creations* unless they appear on **Exhibit B,** and **Exhibit B** has been accepted and agreed to by an *Authorized Signatory* who has signed at the bottom of such **Exhibit B**. I further agree that I shall not use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment* without the prior written consent of an *Authorized Signatory*. To the extent that I use any *Pre-existing Creations* or *Personal Creations* in connection with my *Employment*, I agree that, except as otherwise provided in a written agreement executed by me and the Employer, I hereby grant to the Employer an irrevocable, royalty free, perpetual, fully paid up, transferable, sub-licensable license to use, reproduce, distribute, display, perform, modify and create derivative works of and otherwise exploit such *Pre-existing Creations* or *Personal Creations* for any purpose including, but not limited to, client engagements.

12. Post- *Employment* Restrictions re: Clients. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or serving of certain clients related to my work for a *Deloitte Entity* would necessarily involve the unauthorized use or disclosure of *Confidential Information*, and the proprietary relationships and goodwill of the *Deloitte Entities*, and, in the case of my serving of certain clients, could compromise the full compliance of the Employer or another *Deloitte Entity* with the applicable laws, rules and regulations of a U.S. or India regulatory body or other independence-related requirement of a regulatory body. Accordingly, during the period of my *Employment* and for a period of one year thereafter, I will not, directly or indirectly, solicit or provide services to any existing client of a *Deloitte Entity* with which I had personal contact and provided services during the two-year period prior to termination of my *Employment*.

13. Exceptions to Post- *Employment* Restrictions re: Clients. I understand that the obligations of Paragraph 12 will not apply for a period of three (3**)** years after my start date or the date of my promotion or transfer to clients of a *Deloitte Entity* and/or certain specified kinds of services rendered to such clients that meet all of the following criteria: (a) are personal clients of mine who came to a *Deloitte Entity* solely to avail themselves of certain specified kinds of services rendered by me and only as a result of my own independent recruitment efforts, which a *Deloitte Entity* neither subsidized nor otherwise financially supported as part of a program of client development, (b) are listed on **Exhibit D** expressly by name with respect to client and with sufficient specificity with respect to the kinds of service(s) that I will be permitted to render, and (c) are accepted and agreed to as to their listing on **Exhibit D** by an *Authorized Signatory* who has signed at the bottom of such Exhibit. I agree that after a period of three (3) years from my start date or the date of my promotion or transfer the Employer will have invested sufficient time, financial support and effort in developing and serving the clients listed on **Exhibit D** to support the application of the obligations of Paragraph 12 to those clients.

14. Future Employment with Clients. Except as otherwise provided herein, I understand that I am not prohibited from accepting employment with a client (or an affiliate of such client) of a *Deloitte Entity*. Before entering into substantive discussions with an *Attest Client* regarding any employment opportunity, I acknowledge and agree that during my *Employment* and for five years thereafter I must first notify *Independence* and obtain prior written approval from *Independence*. I acknowledge and understand that it is the intent of the Employer to interpret and apply this provision (a) in an effort to ensure the full compliance of the *Deloitte Entities* with applicable U.S. and India laws, rules, and regulations; (b) to serve the public interest; and (c) to protect the legitimate interests of the *Deloitte Entities* or their respective *Attest Clients* under applicable U.S. or India laws, rules and regulations in a manner that is no greater than is reasonably necessary to protect such interests and without being unduly harsh and oppressive to me and my interests in future employment with an *Attest Client*. Further, I acknowledge and agree that because of, among other things, the importance of the *Deloitte Entities* remaining in compliance with applicable independence rules, such approval may be withheld by *Independence* in the event that my employment with an *Attest Client* would, in the view of Deloitte LLP, be inconsistent with applicable laws, rules and regulations or jeopardize the independence of a *Deloitte Entity* with respect to such *Attest Client*.

15. Restrictions re: *Personnel* and Contractors. I acknowledge that, because of the nature of my work for a *Deloitte Entity*, my solicitation or hiring or of any of its *Personnel* or contractors of the *Deloitte Entities*, or my participation in their hiring, admission or retention, would necessarily involve the unauthorized use or disclosure of *Confidential Information* or the proprietary relationships and goodwill of the *Deloitte Entities*. Accordingly, during my *Employment* and for one year thereafter, I will not, directly or indirectly, (a) solicit or attempt to solicit, or participate in the solicitation of or any attempt to solicit any *Personnel* to leave a *Deloitte Entity*, or to join any firm or business with which I may be or become affiliated;(b) participate in the hiring or admission of any *Personnel*; or (c) cause a contractor of a *Deloitte Entity* to cease providing

services to, with, or on behalf of the *Deloitte Entity*.

16. Post- *Employment* Restrictions re: *Deloitte Property*. Upon termination of my *Employment*: (a) I will not use or disclose *Deloitte Property*, including, but not limited to, *Confidential Information* and *Works*, for any purpose; (b) I will not retain or take with me any *Deloitte Property*; (c) I will immediately deliver to a *Deloitte Entity* at any location that it designates, at my expense, within one business day after the termination of my *Employment* or on an alternate date designated by a *Deloitte Entity*, any *Deloitte Property* that I may then or thereafter hold or control; and (d)I agree to allow a *Deloitte Entity* to inspect any of my personal or home computers, including smart phones, tablet computers, or any device, media or location capable of storing electronic data, to determine whether any *Deloitte Property* resides on such computers and to permit a Deloitte Entity to remove such *Deloitte Property*.

OTHER POST- *EMPLOYMENT* OBLIGATIONS

17. Transition of Work and Cooperation. Upon termination of my *Employment* for any reason, I will cooperate with a *Deloitte Entity* in all matters relating to the completion of pending work and its orderly transfer. I will also cooperate fully with a *Deloitte Entity* in connection with any threat of or actual legal proceeding against a *Deloitte Entity* or any client, customer or licenser of a *Deloitte Entity* arising out of any matter with or of which I had contact or knowledge during my *Employment*.

18. Notification of Post- *Employment* Obligations. I agree that prior to accepting employment or affiliation with another firm or business I will advise such firm or business of my duties and obligations under this Employment Agreement. After my *Employment* ends, I agree that a *Deloitte Entity* shall be permitted to advise any firm or business with which I have accepted an offer of employment or affiliation concerning my duties and obligations under this Employment Agreement.

19. Certification. I agree that during or after my *Employment* I will, if requested, provide written certification in such form as the Employer may require that I have complied with my obligations hereunder, including, without limitation, those obligations set forth in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15 and 16 of this Agreement.

OUR ENFORCEMENT RIGHTS AND REMEDIES IN THE EVENT OF A BREACH

20. Equitable Relief and Attorney's Fees. I acknowledge and agree that a breach of this Employment Agreement, including, but not limited to, a breach of my duties and obligations under the terms and conditions of Paragraphs 4, 5, 7, 8, 9, 10, 12, 14, 15 or 16 would cause irreparable harm to the *Deloitte Entities* and that, in addition to other remedies, the Employer on behalf of itself or another *Deloitte Entity* is entitled to a temporary restraining order, an injunction or other equitable relief to prevent any such breach. I also acknowledge that, to the extent permitted by law, a *Deloitte Entity* will be entitled to the payment of the *Deloitte Entities'* reasonable costs and attorney's fees incurred in enforcing this Employment Agreement. I also acknowledge that, to the extent permitted by law, the Employer may request that a court extend the one year period following the termination of my *Employment*, as provided in Paragraphs 12 and 15**,** to correspond with the period that I participated in activities prohibited by Paragraphs 12 and 15.

21. Liquidated Damages: Client Fees. I agree that in the event of a breach under Paragraph 12, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtima, bonuses, and sales incentives, received by any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

22. Liquidated Damages: Compensation. I agree that the precise amount of damages flowing from a breach under Paragraph 15 would be impracticable or extremely difficult to ascertain in an actual amount. Therefore, I agree that in the event of a breach under Paragraph 15, the Employer shall be entitled to receive, as liquidated damages, payment from me of an amount equal to the annual compensation, inclusive of overtime, bonuses, and sales incentives, received by or owed to any person who leaves the Employer in connection with my breach over his or her last twelve months at the Employer. Such amount shall be paid within thirty days from the mailing of a written notice to me advising of the amount due.

23. Right of Inspection. I agree to permit the Employer (or to use my best efforts to enable the Employer) to inspect my books and records (and the books and records of any entity which employs or is associated or affiliated with me), upon request and at reasonable times, to enable the Employer to confirm the calculations described above and to verify compliance with Paragraphs 12 and 15. The Employer shall keep confidential any proprietary information obtained, except as may be necessary or desirable to enable the Employer to enforce its rights under this Employment Agreement and except as may be required by any statute, court or administrative order to decree or government ruling or regulation.

MISCELLANEOUS

24. Governing Law; Choice of Forum. This Employment Agreement is deemed to have been executed in the Employer's office in **Hyderabad, Telangana, India** and will be construed and governed in accordance with the laws of the Republic of India without regard to its conflicts-of-law principles. You agree to submit to jurisdiction before any court of record in which the Employer's office to which you were assigned is located, or in which a breach of this Employment Agreement may occur, at the election of the Employer, and you waive any right to raise questions of personal jurisdiction or venue in any action the Employer may bring against you in any such court. You further agree to accept service of process/summons/legal notice from the Employer when that process/summons/legal notice is either sent to your last known address by certified mail or served by any other means permitted under the law of the jurisdiction in which the Employer may bring an action against you.

25. Modifications. My obligations hereunder may not be changed or modified, released, discharged, abandoned or terminated, in whole or in part, except by an instrument in writing signed by an *Authorized Signatory*.

26. Severability. Every provision of this Employment Agreement is intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such term or provision will be enforced to the maximum extent permitted by law and, in any event, such illegality or invalidity shall not affect the validity of the remainder of the Employment Agreement.

27. Blue-Penciling. If any court determines that any provision of this Employment Agreement, or any part hereof, or the application of any such provision, or any part hereof, to any person or circumstance is unenforceable or void, such court shall have the power to modify such provision, or any part hereof, to the extent necessary to render it legal and enforceable while preserving its intent, or if such modification is not possible, by substituting therefore another provision that is legal and enforceable and that achieves the same objective.

28. Waiver. None of my obligations under this Employment Agreement shall be deemed to have been waived by the Employer except if the giving of such waiver is contained in a written notice given to me and no such waiver shall be deemed to be a waiver of any other or further obligation I have under this Employment Agreement.

29. Entire Agreement. This Employment Agreement, the Employer's employment application, the Terms and Conditions of Service issued pursuant to the offer of employment and any documentation employing me or transferring me to the Employer, contain the entire understanding between me and the Employer or any other *Deloitte Entity* with respect to the subject matter hereof and supersedes all prior representations, warranties, and agreements with respect to such subject matter, and no representations, warranties or other covenants exist with respect to such subject matter that are not contained or expressly referred to herein. Notwithstanding the foregoing, any written agreement between a *Deloitte Entity* and me with respect to the subject matter hereof that was signed by me prior to the effective date of this Employment Agreement shall remain valid and enforceable according to the terms of such agreement with respect to all acts and omissions occurring prior to the effective date of this Employment Agreement. In the event of a conflict between this Employment Agreement and the employment application or any other document purporting to set forth terms and conditions of my *Employment*, this Employment Agreement will control.

30. Transfer and Assignment. Unless as the Employer shall otherwise determine, the rights, obligations and benefits of the Employer under this Employment Agreement, including but not limited to those rights and benefits relating to my post-Employment obligations set forth in this Paragraph 30 and in Paragraphs 4, 5, 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19 and 23 above, are transferred and assigned, in whole or in part (as the Employer shall determine) and without the need for my consent or the formality of documentation or prescribed processes, to (a) any *Deloitte Entity* in connection with my transfer to that *Deloitte Entity* or (b) any entity that acquires all or a part of the assets or business of the Employer. Terms and Conditions of Service

In continuation to our offer of employment with **Deloitte Consulting India Private Limited** (the "Employer"), please note the terms and conditions of service.

The italicized terms in these Terms and Conditions of Service are defined in **Exhibit A** of the Non-Disclosure, Non-Solicit and Intellectual Property Rights Assignment Agreement hereto.

Terms of Service

1. COMPLIANCE WITH INDEPENDENCE, ETHICS AND OTHER REQUIREMENTS

Deloitte & Touche LLP performs attest services for certain of its clients and is subject to the independence requirements of, among others, the United States Securities and Exchange Commission (SEC), the United States Public Company Accounting Oversight Board (PCAOB), and the American Institute of Certified Public Accountants (AICPA). These requirements mandate that certain of the Employer's employees and their relatives be independent of some or all of such attest clients and their affiliates in accordance with the policies of Deloitte LLP and its subsidiaries (the "Deloitte US Entities").

Upon joining the Employer, you will be asked to review a listing of the attest clients and the affiliates of such clients of certain of the Deloitte US Entities and disclose relationships or financial holdings that you or your relatives may have that could affect the independence of the Deloitte US Entities. Any relationships or holdings that conflict with, among other things, the requirements of the SEC, the PCAOB or the AICPA or the independence or ethics policies of the Deloitte US Entities will need to be resolved immediately. Further, you will be required to comply with these policies throughout your career with the Employer, including, when applicable, maintaining a current list of certain of your financial interests (but not their value) in the independence tracking system.

As a condition to your joining the Employer and continued employment, you are required to complete a representation regarding your understanding of, and compliance with, independence and other matters, on a periodical basis (as requested beginning on or prior to the date of you joining the Employer, annually thereafter, and upon certain changes in your role in the Employer), the details of which are provided in the independence representation. An example copy of this representation form is available for your reference on www.deloittenet.com. The representation should be made to the best of your knowledge and ability. It is your responsibility to consult on any matter should you be uncertain or have a question. You are also requested to refer to www.deloittenet.com and *Independence* for more information in this respect. The representations made by you will be subject to an audit and may be reviewed by Deloitte LLP representatives and shared with certain third parties. If you are selected for such an audit, you will need to submit certain personal financial records to Deloitte LLP's internal audit team. Please be assured that Deloitte LLP fully intends to keep all information obtained through the audit process confidential and secure. You hereby give your consent to Deloitte LLP to use the information provided by you for such purposes as provided in the policies regarding independence and ethics.

In the event you (i) do not cooperate or comply with the independence requirements, or (ii) do not complete the necessary representations, or (iii) make inaccurate representation(s); you may be subject to disciplinary action including and up to termination of employment with the Employer.

Please feel free to contact or consult *Independence* should you require any further information or if you have any specific concerns in this respect.
