## BARVAC 007 – CERTIFICATE COURSE ON ARCHITECTURE

### OBJECTIVES

- To understand the elements and principles of Basic Design as the building blocks of creative design through exercises that will develop originality, expression, skill and creative thinking.
- To involve students in a number of exercises to understand the grammar of Design and Visual composition.
- To enable the understanding of 3D Composition by involving students in a number of exercises which will help generation of a form from a two dimensional / abstract idea.
- To understand architecture as a craft, of making and of putting together.
- To sensitize students to materials both planar and plastics and Processes involved in working with them.
- To draw inspiration and clues from nature.
- To introduce Drawing as an analytical tool.
- To introduce students to History of Design and craft.

### SYLLABUS

- Introduction to Spatial Design, Form and Structures through Basic Design – Elements of Design: Properties, qualities and characteristics of point, line, direction shape, form, colour and texture – Principles of Design: Scale, Proportion, Balance, Harmony, Rhythm and Contrast. – Concepts of Visual perception – Material and processes.
- The course shall be conducted by giving a number of exercises in the form of Design studios
- Seminars and Creative workshops that are aimed at teaching the following:
- Elements and Principles of Visual Composition and Pattern making.
- Exploring Colour theories and their application in a Visual composition.
- Study of texture and schemes of texture both applied and stimulated and their application.
- Material and Form / Structures – Nature based enquiry into form both Linear and Planar, fluid and plastic forms using simple material like Mount Board, metal foil, box boards, wire string, thermocol, clay, plaster of Paris etc.
- Study of Solids and voids to evolve sculptural forms and spaces using specific process oriented methods like casting, mouldings etc.,
- Analytical appraisal of an iconic Design like a rietvelt chair, Eames chair etc., for form, function, visual characteristics, ergonomics etc. /evolution of a craft.
- Analytical appraisal of building form in terms of visual character, form and function, play of light and shade, solids and voids, colors and texture.

The Head of the Department,  
School Of Architecture,  
BIHER,  
Chennai.

To

The Director,  
School Of Architecture,  
BIHER,  
Chennai.

Respected Sir,

**SUBJECT:** Regarding the permission for conducting value added course.

As the Head of the department, School of Architecture, I would like to request you to give us the permission for conducting value added course on "VFX & ANIMATION" in school of architecture, BIHER from 18.06.2019 to 22.07.2019.

It will be important for all students in the Department to attend the Value added course to enhance the professional skill. In addition, the course will ensure that information delivered to students is standardized.

Thank you for your consideration. I look forward for your response soon.

Thanks and Regards,

(Mohamed Farook Alkhalil, M.Arch(Landscape),

## **BARVAC 007 – CARRIER ORIENTED COURSES ON VFX & ANIMATION**

### **OBJECTIVES**

- Animation and VFX
- 2D Classical & Digital Animation
- Fundamentals of Art and Design
- 3D Animation & Visual Effects
- Learning on the mixing of real film footage with the animated images
- Modern world advancing in animations

### **SYLLABUS**

The technical, advertising, or animation field, then there could be no other better option than choosing a VFX course. You need to consider this course and an animation program to express your creativity. This creativity is all digitalized to make animations, graphics, and other visualized tools. Thus the rising demand for a VFX professional has raised the job opportunities in India. You have excellent scope to brighten your career in the technology as well as the entertainment industry.

In a single movie, more than 600 designers and animators work together to turn the movie into a reality program. These animators come from different VFX studios. Indian industry has been growing at a reasonable rate these days. Thus it leads the VFX industry to offer employment opportunities to the people. But how will you study this and make yourself proficient in the animation field? Don't worry; below are the complete details listed for VFX Course along with its duration, eligibility, total fees, Syllabus and concepts, job opportunities, and the salary offered.

## CARRIER ORIENTED COURSES ON VFX & ANIMATION

DATED-18-06-2019-22-06-2019

RESORCE PERSON-A Shanmugam

Founder & Chief Architect

Ar. A. Shanmugam, back in the 80's when the quaint temple town of Trichy did not have any practising architects in the city. Underneath his calm demeanour, lies a wealth of design knowledge that comes out each time issues both at site and drawing table crop out. His sense of candour that comes with age & experience helps give a new perspective every time a critical problem crops up therefore pushing the team to think out of the box.
