COURSE OBJECTIVE

A trademark is the identity of a business and can become a highly valued intellectual property as the business grows. Any business owner, as well as professional who are advising business owners, cannot afford to be unaware of what can be considered a trademark, basic registration procedures, how to protect trademarks and how to monetize these. This course can help students as well as advisors, deal with all these aspects in relation to trademarks. This course in trademark law will enable you to register a trademark (in India and internationally), protect unconventional trademarks like sounds, colour combinations and trade dress, create a trademark strategy that unlocks maximum value for your business, monetize trademarks through licensing, franchising and other strategies, deal effectively with unfair comparative advertising and enforce your rights in case of trademark infringement.
