Dear Mr D.ARUN KUMAR

We are pleased to inform you that your request for funding the Research Project has been acceded after careful examination of its contents including the niceties apart from providing the information of the following:

Principal Investigator: Mr. D.ARUN KUMAR

Total cost involved in the Project: Rs.6,28,538.00/-

Project Title: Testing Reinforcement Bars

Project Time: 2021-2022

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr. M. Praveen

Before undertaking the Project, please bear in mind the following:

a) Fund won't be endorsed in one quantum and it will be delivered at various stages.

b) You need to create prove records like Adequate evidence for Registration, Receipt of IRB endorsement and so on the side of your case for financing help.

c) The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research.

d) The typical method of making instalment for the Institution (as taken on anyplace) will be followed.

e) A report on the Audited Statement on finish of the venture is to be introduced, as is being done as a rule.

f) Whenever required, the Reports are to be introduced in regards to the exercises of Research and Project progress.

As a badge of acknowledgment of these agreements, you are encouraged to sign in the copy duplicate of this letter and send it to us for additional fundamental activity at our end.

Arrangement of Reports, at standard spans will work with us to dispense the asset in stages.

At the point when any postponement in finishing the venture is seen, substantial reasons and defenses are to be expressed.

We wish you all success.

Dear Dr.T.U.V.Kiran Kumar

We are satisfied to illuminate you that your solicitation for financing the Research Project has been consented after cautious assessment of its substance including the amenities separated from giving the data of the accompanying:

Principal Investigator: Dr.T.U.V.Kiran Kumar

Total cost involved in the Project: 695327

Project Title: Maintenance of semi auto biochemistry analyzer

Project Time: 2021-22

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr.M.Manikandan

Prior to undertaking the Project, kindly remember the accompanying:

a) Fund won't be endorsed in one quantum and it will be delivered at various stages.
b) You need to deliver prove reports like Adequate confirmation for Registration, Receipt of IRB endorsement and so forth on the side of your case for financing help.
c) The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research.
d) The ordinary method of making instalment for the Institution (as embraced anyplace) will be followed.
e) A report on the Audited Statement on culmination of the task is to be introduced, as is being done typically.
f) Whenever required, the Reports are to be introduced in regards to the exercises of Research and Project progress.

As a badge of acknowledgment of these agreements, you are encouraged to sign in the copy duplicate of this letter and send it to us for additional essential activity at our end.

Readiness of Reports, at customary spans will work with us to dispense the asset in stages.

At the point when any postponement in finishing the task is seen, substantial reasons and defenses are to be expressed.

We wish you all success.

Dr. Sathiya bama

It is pleased to inform you that your application for funding has received approval in the amount of **Rs: 87000/-** to support the following: "Evolution of long-range fractal correlations and 1/f noise in DNA base sequences" for **one year** duration.

As part of our project funding Payment Option, you will receive your funding as a direct grant that will not require you to expend your own funds and request a reimbursement. In order to accept your grant and receive payment, you must complete the attached Grant Agreement and return them within two weeks. In addition, you will be required to fill out a final report on your project once your program is complete. You are required to complete a Final Report within two weeks of completing your project for proof of project completion.

There were many worthwhile applications for funding and only a select few were funded during this grant cycle. We congratulate you and thank you for your efforts on behalf of our community. Please contact us if you have any questions.

Thank you.

Sincerely

IMANTRAS (INDIA) PRIVATE LIMITED

IDFSF/2019/SO/0145 **07.07.2019**

Dear Ranjith,

We are pleased to inform you that your proposal for funding for the Research Project titled "On the Morse index theorem" has been granted after carefully considering its contents, including the fine points. Aside from providing details about Principal Investigator Indhumathi N, the project's total cost is 73000. The institution is the Bharath Institute of Higher Education and Research. The mentor is Dr. K. Anu Priya.

Before starting the project, please bear the following considerations in mind:

a) The fund will be approved in instalments rather than a single lump payment.
b) You must provide supporting documentation to back up your request for financial assistance, such as approved evidence of registration, IRB approval, and so on.
c) The Principal Investigator is the only person who may respond to the project's questions and its research activities.
d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.
g) After the project, a report on the Audited Statement will be published as is customary.
f) Research and project progress updates will be given as needed.
It is suggested that you sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action on our part. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be offered when a project's completion is delayed.

Best wishes.

Dear

We are pleased to inform you that your request for funding for the Research Project titled has Influence of Potential Nanomaterials for Civil Engineering Projects been granted after a comprehensive review of its contents, including the fine points. The project's overall cost is 81000 the institution is Bharath Institute of Higher Education and Research, and the mentor is Dr. K. Anu Priya.

Before you begin the project, keep the following considerations in mind:

a) The fund will be approved in installments rather than one big payment.

b) You must provide supporting documentation to back up your application for financial assistance, such as approved evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.

g) After the project, a report on the Audited Statement will be produced, as is customary.

f) Research activities and project progress reports will be given as needed.

You should sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action. It would be easier for us to distribute funding in phases if you report regularly. Valid reasons and justifications must be presented when a project's completion is delayed.

We wish you all the best.

Dear

We are pleased to inform you that your request for funding for the Research Project titled **C-shaped root canal configuration** " has been granted after a comprehensive review of its contents, including the fine points. The project's overall cost is 594422 the institution is Bharath Institute of Higher Education and Research, and the mentor is Dr. K. Anu Priya.

Before you begin the project, keep the following considerations in mind:

a) The fund will be approved in installments rather than one big payment.

b) You must provide supporting documentation to back up your application for financial assistance, such as approved evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.

g) After the project, a report on the Audited Statement will be produced, as is customary.

f) Research activities and project progress reports will be given as needed.

You should sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action. It would be easier for us to distribute funding in phases if you report regularly. Valid reasons and justifications must be presented when a project's completion is delayed.

We wish you all the best.

Ref no:2020/CHC/P/414 17.08.2021

Dear K.SAKTHIVEL

This is in response to your application dated July 18-2020 in which you requested funding for your research project.

After reviewing your presentation and considering the comments of Principal Investigator- K.SAKTHIVEL we are pleased to finance your Research Project- Analysis of effective security management system in cloud computing. The duration of the project is 2020-2021, the organisation is Bharath Institute of Higher Education and Research, and the cost of the project is 537664

Please be aware that the funds will be distributed to your organisation in batches based on the completion of each step's reports.

You are required to follow the processes, such as registration, that are required in this respect.

You may be aware that the Principal Investigator is the person to contact with any questions about the Project and Research, as well as the organization's supervisory and mentoring responsibilities.

You are also notified that, following the completion of the Project, the Report on the Audited Statement, in addition to bi-annual progress reports and the production of a summarised report on the Project's end, must be submitted.

Best wishes.

Dear **M SUNDARARAJ**

We are pleased to inform you that your proposal for funding for the Research Project titled "**Differential rapid maxillary expansion** " has been granted after thorough consideration of its contents, even the tiny details. The total cost of the project is 589700, and the mentor is Dr. K. Anu Priya of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than as a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided at the conclusion of the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report on a frequent basis. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Dear **Dr. M SUNDARARAJ.,**

With reference to your request dated 21.01.2018 for granting the Fund for your Research Project titled **"Differential rapid maxillary expansion"** and taking into consideration of the contents therein, Total cost of the Project **589700 Rs**, Project Period one Year, Principal Investigator Balambica V, Institution in which the Research Project is to take on Bharath Institute of Higher Education and Research. We are happy to inform that your Research Project has been considered for sanction of fund which will be released in stages in the name of Bharath Institute of Higher Education and Research in which the Project is to take on.

You have to abide by the norms/guidelines so fixed by us and meet out the requirements of producing the proof of Registration etc. and other procedures. The Principal Investigator will be called for any elucidation relating to the Research Project.

It is to be noted that submission of the timely Reports of progress on the Research Project will enable us to release payments accordingly. However, by returning to us the copy of the letter, duly signed by you to indicate your acceptance of our conditions, the first stage of fund will get released. It is also considered essential to submit to us the Audited Statement, Final Report on completion of the Project.

Wishing you all the best.

REF: D64CS/2019/0029 DATE: 06.06.2019

Dear Ayyappan G

We have scrutinized your application for Grant of fund towards Research Project and have pleasure in informing you that the fund is sanctioned on the basis of the furnishing the details of –

1. Name of the principal investigator: Ayyappan
2. Name of the project (Title): **Diindolylmethane and Lupeol therapy halt tumor development on experimental urothelial carcinogenesis**
3. Total project grant for the period from 2019-2020 and Cost **106880 Rs**
4. Name of the Institution: Bharath Institute of Higher Education and Research
5. Name of the Mentor: Dr. Vijayan

Terms and Conditions:

a) Meeting out the Requirements fully for Proof of Registration, Proof of receipt of IRB approval, Proof of Receipt for IND approval etc.

b) The Grant will be paid directly to the Institution under whose supervision with the guidance of the Mentor.

c) The Principal Investigator is responsible for the activities of Research, which are required to be completed for this project.

d) The first stage of releasing the Fund will arise only on receipt of duplicate copy, duly signed for fulfilling the conditions as mentioned above.

e) The bi-annual project progress reports are to be submitted within two months from the close of the project period of once in six months.

f) The final report should cover a complete summary of the Project and its happenings. The financial report is to be submitted within two months of the completion of the project undertaken every year.

g) When the complete project period takes time of more than one year and /or less than two years, then the financial reports shall be submitted within two months after the end of first year as first phase and within two months after completion of the project, as second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us. Wishing you all success.

Dear Mr.R. Kishore Kanna

We are pleased to inform you that your proposal for funding for the Research Project titled " An adaptive content based closer proximity pixel replacement algorithm for high density salt and pepper noise removal in images" has been granted after thorough consideration of its contents, even the tiny details. The project's total cost is 696868 (Six lakhs ninety-six thousand eight hundred and sixty-eight), and the mentor is S. Lavanya of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Grateful Mr.S. Prasath

After carefully reviewing your request for a grant for a research project, we are pleased to notify you that funding has been approved based on the submission of the following information:

Mr.S. Prasath is the primary researcher.

Title of the project: Fairness Perceptions of Work–Life Balance Initiatives: Effects on Counterproductive Work Behaviour

The total amount of funding allocated to this project from 2021 to 2022 was $519385. (Five lakhs nineteen thousand three hundred an eighty-five)

Bharath Institute of Higher Education and Research (Bharath)

Dr. Vijay is the mentor's name.

Conditions of Use:

Once every six months, a status report on the progress of the project must be presented to the sponsor.
The final report should include a comprehensive description of the Project and its events. Within two months of the project's completion, a financial report must be provided to the board.

The financial reports must be provided within two months of the end of the first year of the project and within two months of the end of the project as a whole, whether the project spans more than one year or less than two years. Upon receipt and acceptance of all reports, a portion of the final stage payment will be made available to you.

Wishing you the best of luck!

JDRF/2021/SO/0985 07.07.2021

Dear N.Gayathri

We are pleased to inform you that your proposal for funding for the Research Project titled " An analysis based on research of search engine optimization (SEO) techniques to boost the number of visitors to an e-content website " has been granted after thorough consideration of its contents, even the tiny details. The project's total cost is 567897 (Five lakhs sixty-eight thousand ninety-seven), and the mentor is K. Sushmitha of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Project Title: Evaluating the economic operation's distribution function of wind power forecasting error

Project Time: 2021-2022

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research, Chennai-600073.

Mentor: Mr. Arun

Prior to undertaking the Project, kindly remember the accompanying:

Fund won't be authorized in one quantum and it will be delivered at various stages. You need to create validate reports like Adequate confirmation for Registration, Receipt of IRB endorsement and so forth on the side of your case for subsidizing help. The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research. The typical method of making installment for the Institution (as embraced anyplace) will be followed. A report on the Audited Statement on fruition of the venture is to be introduced, as is being done as a rule.

Whenever required, the Reports are to be introduced with respect to the exercises of Research and Project progress. Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

Dear PEARLY B

We are pleased to inform you that your request for funding the Research Project titled " Strength of RC to fracture Several Ca Hydroxide intracanal medications were used to treat teeth" has been approved following a thorough review of its contents, including the fine points. Apart from providing the information of Principal Investigator S. SARAVANA, the total cost of the Project is 704423/- (Seven lakhs four thousand four hundred and twenty-three), the Institution is Bharath Institute of Higher Education and Research where the Project Research is proposed to conduct and Mentor is Dr. K. Anu Priya

Before undertaking the Project, please bear in mind the following:

a) The fund will not be sanctioned in one quantum and will be disbursed in stages.

b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.

e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

f) Reports on research activities and project progress are to be presented as needed.

As a token of acceptance of these terms and conditions, you are advised to sign in the duplicate copy of this letter and send it to us for further necessary action at our end.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

We wish you all success.

Dear PONNUDURAI ARANGANNAL

We are pleased to inform you that your proposal for funding for the Research Project titled " A closer proximity pixel replacement technique that is based on adaptive content can be used to remove high density salt and pepper noise from images." has been granted after thorough consideration of its contents, even the tiny details. The project's total cost is 714144 (Seven lakhs fourteen thousand one hundred and forty-four), and the mentor is S. Lavanya of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

3. The total project grant for the period from – April 2021 to Oct 2021.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Dr. Kumaresan L.
6. Fund granted: Rs,5,61,129.

Dependent upon the agreements as specified underneath:

1. Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so on
2. The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.
3. The Principal Investigator is answerable for the exercises of Research, which are needed to be finished for this task.
4. The first phase of delivering the Fund will emerge just on receipt of copy duplicate, appropriately endorsed for satisfying the conditions as referenced previously.

The half-yearly venture progress reports are to be submitted inside two months from the end of the undertaking time of once in a half year. The last report should cover a total synopsis of the Project and its happenings.

The monetary report is to be submitted inside two months of the fulfillment of the venture attempted each year. At the point when the total undertaking time frame takes season of over one year and/or under two years, then, at that point, the Financial reports will be submitted inside two months after the finish of first year as first stage and inside two months after consummation of the task, as second stage.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

Dear Mrs. R.Aswini

We are pleased to inform you that your request for funding the Research Project titled "The in situ efficacy analysis of whole room disinfection devices." has been approved following a thorough review of its contents, including the fine points. Apart from providing the information of Principal Investigator R.Aswini, the total cost of the Project is Rs. 5,52,486 (Five lakhs fifty two thousand four hundred eighty six only), the Institution is Bharath Institute of Higher Education and Research where the Project Research is proposed to conduct and Mentor is Dr. K. Anu Priya

Before undertaking the Project, please bear in mind the following:

a) The fund will not be sanctioned in one quantum and will be disbursed in stages.

b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.

e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

f) Reports on research activities and project progress are to be presented as needed.

As a token of acceptance of these terms and conditions, you are advised to sign in the duplicate copy of this letter and send it to us for further necessary action at our end.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

We wish you all success.

Dear : Mr.R Ramani

We are pleased to inform you that the Metropolis Healthcare Limited, Mumbai has approved your application for a grant. The Grant is to be made upon the following terms and conditions:

1. The Principal Investigator is Mr.Ramani. The project name is "Artificial intelligence in the diagnosis and management of colorectal cancer liver metastases" The total project grant award for the period of 2021 to 2022 is Rs: 5,29,880 [Five lakhs twenty nine thousand eight hundred eighty only]. The Supervising Institution is Bharath Institute of Higher Education and Research. The Mentor is Dr. Ramani. The financial contact is Dr. K. Parthiban.

2. These requirements must be met and the project must begin on or before 05.08.2018.

3. This Grant shall be paid to the Supervising Institution, under whose supervision, and with the guidance of the Mentor, the Principal Investigator shall be responsible for the research or other activities that are required to complete this project.

4. Semi-annual project progress reports are due two months after the close of each six-month project period. The final progress report also includes a lay summary of the project and its accomplishments. A financial report is due two months after the end of each year of the project. If the entire project period is more than one year but less than two, financial reports are due two months after the end of the first year, and two months after the end date of the project. Ten percent of the total award is retained until all reports have been received and accepted by the Metropolis Healthcare Limited, Mumbai.

We wish you success in your research.

Sincerely,

JDRF/2021/SO/0145 07.07.2021

Dear Ms. Nimmi

We are pleased to inform you that your proposal for funding for the Research Project titled "To assess immune evasive human islet-like organoids amelioration in diabetes." has been granted after thorough consideration of its contents, even the tiny details. The total cost of the project is 6,08,585 (Six lakhs eight thousand five eighty five only), and the mentor is Dr. K. Anu Priya of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than as a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

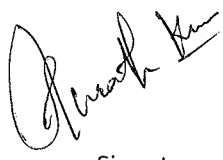

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided at the conclusion of the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report on a frequent basis. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

We are pleased to inform you that your request for funding for the Research Project titled "Machine learning based water power system using natural energy sources" has been granted after a comprehensive review of its contents, including the fine points. The project's overall cost is 6,92,519 , the institution is Bharath Institute of Higher Education and Research, and the mentor is Dr. K. Anu Priya.

Before you begin the project, keep the following considerations in mind:

a) The fund will be approved in installments rather than one big payment.

b) You must provide supporting documentation to back up your application for financial assistance, such as approved evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.

g) After the project, a report on the Audited Statement will be produced, as is customary.

f) Research activities and project progress reports will be given as needed.

You should sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action. It would be easier for us to distribute funding in phases if you report regularly. Valid reasons and justifications must be presented when a project's completion is delayed.

Dear S. Koventhan

We are pleased to inform you that your proposal for funding for the Research Project titled " Electric-Powered Modern Sugarcane Juice Cart: A Sustainable Solution for Refreshing Beverages " has been granted after thorough consideration of its contents, even the tiny details. Principal investigator S. Koventhan, the project's total cost is 6,89,328 (Six Lakh Eighty-Nine Thousand Three Hundred Twenty-Eight only), Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in installments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

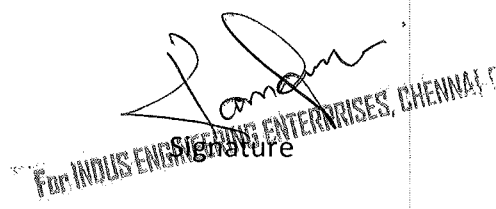

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Dear S.Senthil Kumar

We have scrutinized your application for Grant of fund towards Research Project and have pleasure in informing you that the fund is sanctioned on the basis of the furnishing the details of –

1. The name of the principal investigator S. Senthil Kumar
2. The name of the project (Title): Smart Application for Road Health Monitoring and Reporting to Concerned Authorities for Maintenance
3. The total project grant for the period from 2021 to 2022.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. Fund granted: Rs. 6,08,784 (Six Lakh Eight Thousand Seven Hundred Eighty-Four Only)

In relation to the following terms and conditions:

A) Completely meeting the requirements for proof of registration, proof of IRB approval, evidence of receipt for IND approval, and so on.

B) The supply could be paid immediately to the organisation under whose supervision the Mentor is in charge.

C) The principal Investigator is responsible for any research efforts that may be required as part of this project.

D) The Fund's first degree of liberation will be most effective upon receipt of a duplicate reproduction, duly signed for the above-mentioned scenarios.

The bi-annual project development reports must be filed within months of the mission's end date, which is once every six months. The final document should provide a full summary of the mission and its events. Each year, the financial documentation must be submitted within months of the completion of the project. If the entire project takes a year or less to complete, the financial reports will be submitted within two months of the end of the first year as the first phase, and within months of the project's completion as the second segment.

A partial amount as final level payment may be released on receipt of all reports, popular with the aid of us.

Infograss Technologies

Dear Thirupurasundari D R

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	Smart Helmet Technology for Occupational Safety: Assessing Potential Benefits and Implementation Challenges
Project Time	2021-2022
Total cost of the Project	Rs. 5,23,513 (Five Lakh Twenty-Three Thousand Five Hundred Thirteen)
Name of the organization / Institution	Bharath Institute of Higher Education and Research
Principal Investigator	Thirupurasundari D R

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project' s completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated. All the best

Dear Mrs. V. KHANNA

We are delighted to notify you that your proposal for funding for the Research Project has been approved following a thorough review of its contents, including the finer points, with the exception of submitting the following information:

Principal Investigator: Mrs. V. KHANNA

Total cost involved in the Project: 78,000/- (Seventy-eight thousand only)

Project Title: Anaesthetic challenges associated with achondroplasia: a case report

Project Time: 2020-2021

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr. S. Pradeep.

Kindly keep the following in mind before starting the Project:

a) The fund will not be sanctioned in one lump sum and will be disbursed in stages.
b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.
c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.
d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.
e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.
f) Reports on research efforts are to be presented whenever they are requested.

You are recommended to sign the duplicate copy of this letter as a token of acceptance of these terms and conditions and send it to us for further action on our end.

Reporting at regular intervals will make it easier for us to disburse the funds in stages.

When a project's completion is delayed, valid explanations and justifications must be given

We wish you all success.

Please keep in mind that the money will be sent to your organization in batches after each step's report is done. You must do what needs to be done, such as filling out the registration form, etc. The Principal Investigator should be asked anything about the Project or Research, as well as about who is in charge of supervision and mentoring.

At the end of the project, in addition to the progress reports given every six months, a report on the audited statement must also be given.

I hope things go well for you.

Greetings, Chandrakala.

This is in response to your application dated 1.03.2021, in which you requested funding for your research project.

After reviewing your proposal and considering the comments of Principal Investigator- Chandrakala, we are pleased to sponsor your Research Project-Photo-controlled release of NO and CO with inorganic and organometallic complexes. The duration of the project is 2021-2022, the organization is Bharath Institute of Higher Education and Research, and the cost of the project is $21,000. (Twenty-One Thousand Only)

Please be aware that the funds will be distributed to your organization in batches based on the completion of each step's reports.

You are instructed to complete the necessary processes, such as registration, in this respect.

You may be aware that the Principal Investigator is the person to contact with any questions about the Project and Research, as well as the organization's duty for supervising and mentoring.

You are also advised that the Report on the Audited Statement is to be presented after the completion of the project, in addition to the submission of periodical progress reports bi-annually, the development of a summary report on the Project's conclusion, and so on.

Best wishes.

Dear Bama

We are pleased to inform you that your proposal for funding for the Research Project titled "The burden of norovirus gastroenteritis: an important foodborne and healthcare-related infection" has been granted after carefully considering its contents, including the fine points. Aside from providing details about Principal Investigator Indhumathi N, the project's total cost is 28,500 (twenty-eight thousand five hundred only). The institution is the Bharath Institute of Higher Education and Research. The mentor is Dr. K. Anu Priya.

Before starting the project, please bear the following considerations in mind:

a) The fund will be approved in instalments rather than a single lump payment.
b) You must provide supporting documentation to back up your request for financial assistance, such as approved evidence of registration, IRB approval, and so on.
c) The Principal Investigator is the only person who may respond to the project's questions and its research activities.
d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.
g) After the project, a report on the Audited Statement will be published as is customary.
f) Research and project progress updates will be given as needed.
It is suggested that you sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action on our part. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be offered when a project's completion is delayed.

Dear Nalini C.

With reference to your request dated 21.01.2018 for granting the Fund for your Research Project titled "Wind energy generation: modelling and control" and taking into account the contents therein, the following information is provided: Total cost of the Project Rs. 29,000.00, Project Period one Year, Principal Investigator Nalini C. , and Institution where the Research Project will be conducted Bharath Institute of Higher Education and Research. We are pleased to notify you that your Research Project has been approved for funding, which will be disbursed in phases in the name of Bharath Institute of Higher Education and Research, where the project will be conducted.

You must adhere to the rules/guidelines established by us and comply with all other processes, such as providing evidence of Registration, etc.

For any clarification about the Research Project, the Principal Investigator will be consulted.

It should be mentioned that timely submission of the Research Project's Progress Reports will allow us to issue rewards properly. However, if you submit to us a copy of the letter validly signed to demonstrate your agreement to our terms, the first instalment of funds will be issued. We also need the submission of the Audited Statement and Final Report upon completion of the project.

I wish you the best of luck.

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	Introduction of Successive Mutagenesis and Medium Optimisation for Enhanced Production of Ascomycin from Bacteria
Project Time	2021-2022
Total cost of the Project	2,00,000
Name of the organization /	Bharath Institute of Higher Education and Research
Principal Investigator	Neduncheliyan S.
Mentor's Name	Neduncheliyan S.

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project's completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated. All the best

STEINBEIS SOLAR RESEARCH

JDRF/2020/SO/0145 07.07.2020

Dear ....

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been approved based on the following information:

1. Ayyappan G is the name of the principal investigator.

2. Project name (Title): Preliminary phytochemical analysis of *Tabernaemontana alternifolia*

3. Total project funding for the years 2020 and 2021.

Bharath Institute of Higher Education and Research is the name of the institution.

Dr.M Santhosh is the mentor's name.

6. Awarded funds: 75000 (Seventy five Thousand Only)

Depending on the terms of the following agreements:

• Completing all requirements for Proof of Registration, Proof of IRB endorsement, Proof of IND endorsement, and so on.

• The Principal Investigator is responsible for the Research Exercises that must be completed for this project and will be paid directly to the Institution under whose supervision and guidance the Mentor.

• The first phase of providing the Fund will begin with the receipt of a copy duplicate that has been duly endorsed for meeting the previously mentioned standards.

The semiannual project progress reports must be submitted within two months after the completion of the six-month project period. The final report should provide a comprehensive overview of the Project and its activities. Each year, the financial report must be submitted within two months of the completion of the task attempted. When the overall project time frame is more than one year and/or less than two years, the financial reports will be submitted within two months of the end of the first year as the first stage and within two months of the project completion as the second stage.

Dear Mr. Ebenezer V.A.,

With reference to your request for granting the Fund for your Research Project titled "**Genom Resist: Genomic selection for improved disease resistance of rohu carp and shrimp in India**" and taking into consideration of the contents therein, Total cost of the Project **Rs. 1,04,950**, Project Period Six Months, Principal Investigator **Mr. Ebenezer V.A.**, Institution in which the Research Project is to take on Bharath Institute of Higher Education and Research. We are happy to inform that your Research Project has been considered for sanction of fund which will be released in stages in the name of Bharath Institute of Higher Education and Research in which the Project is to take on.

You have to abide by the norms/guidelines so fixed by us and meet out the requirements of producing the proof of Registration etc. and other procedures.

The Principal Investigator will be called for any elucidation relating to the Research Project.

It is to be noted that submission of the timely Reports of progress on the Research Project will enable us to release payments accordingly. However, by returning to us the copy of the letter, duly signed by you to indicate your acceptance of our conditions, the first stage of fund will get released. It is also considered essential to submit to us the Audited Statement, Final Report on completion of the Project.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

Dear Mr. Bhaskar

We are delighted to tell you that your funding request for the Research Project titled "Design and Implementation of a Credit Card Fraud Detection System" has been approved following a careful review of its contents, even the tiniest details. Dr. K. Anu Priya of Bharath Institute of Higher Education and Research is the project's mentor, and the entire cost is 1,03,000 (One lakh three thousand only).

Keep the following points in mind before starting the project:

a) Instead of a single lump-sum payment, the money will be allowed to be paid in installments.

b) You must offer documentation to support your financial aid application, such as formal proof of registration, IRB permission, etc.

c) The only individual who can answer inquiries concerning the Project and its research activities is the Principal Investigator.

d) The standard procedure for making a payment in the Institution's name must be followed (provided below).

g) At the end of the project, a report on the Audited Statement will be produced, as is customary.

f) As needed, research and project progress reports will be provided.

You should sign and provide a duplicate copy of this letter as proof of acceptance of these terms and conditions. If you report regularly, it will be easier for us to release funds in stages. When a project's completion is delayed, valid explanations and justifications must be offered.

Best regards.

Dear Mr. Arun Vasantha Geethan K.

We are pleased to inform you that your request for funding the Research Project has been acceded after careful examination of its contents including the niceties apart from providing the information of the following:

Principal Investigator: Mr. Arun Vasantha Geethan K.

Total cost involved in the Project: Rs. 85,940/-[Eighty five thousand nine hundred and fourty Only]

Project Title: Design and Development of a Web-Based Student Academic Advising System

Project Time: 2020-2021

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr.M.Praveen.

Before undertaking the Project, please bear in mind the following:

a) Fund won't be endorsed in one quantum and it will be delivered at various stages.

b) You need to create prove records like Adequate evidence for Registration, Receipt of IRB endorsement and so on the side of your case for financing help.

c) The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research.

d) The typical method of making installment for the Institution (as taken on anyplace) will be followed.

e) A report on the Audited Statement on finish of the venture is to be introduced, as is being done as a rule.

f) Whenever required, the Reports are to be introduced in regards to the exercises of Research and Project progress.

As a badge of acknowledgment of these agreements, you are encouraged to sign in the copy duplicate of this letter and send it to us for additional fundamental activity at our end.

Arrangement of Reports, at standard spans will work with us to dispense the asset in stages.

At the point when any postponement in finishing the venture is seen, substantial reasons and defenses are to be expressed.

Dear Kumar T.S

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been sanctioned based on the information provided.

1. The name of the principal investigator: Kumar T.S
2. The name of the project (Title): Design and Implementation of an Online Petition Management System
3. The total project grants for the period from 2020 to 2021.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Selvi
6. Fund granted: 104000 (One lakh four Thousand Only)

Dependent upon the agreements as specified beneath:

a)Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us. Wishing you all success.

Steinbeis Solar Research

IDRF/2020/SO/0145 07.07.2020

Dear Raghu B.

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been approved based on the following information:

1. Raghu B is the name of the principal investigator.

2. Project name (Title): Hotel Reservation and Booking System a Computerised Approach

3. Total project funding for the years 2020 and 2021.

Bharath Institute of Higher Education and Research is the name of the institution.

Dr.M Santhosh is the mentor's name.

6. Awarded funds: 102880 (One lakh two Thousand eight hundred and eighty Only)

Depending on the terms of the following agreements:

• Completing all requirements for Proof of Registration, Proof of IRB endorsement, Proof of IND endorsement, and so on.

• The Principal Investigator is responsible for the Research Exercises that must be completed for this project and will be paid directly to the Institution under whose supervision and guidance the Mentor.

• The first phase of providing the Fund will begin with the receipt of a copy duplicate that has been duly endorsed for meeting the previously mentioned standards.

The semiannual project progress reports must be submitted within two months after the completion of the six-month project period. The final report should provide a comprehensive overview of the Project and its activities. Each year, the financial report must be submitted within two months of the completion of the task attempted. When the overall project time frame is more than one year and/or less than two years, the financial reports will be submitted within two months of the end of the first year as the first stage and within two months of the project completion as the second stage.

Date: 14.06.2020

Dear Jenitha G.

We are pleased to inform you that the United Semiconductor Solutions has approved your application for grant. The Grant is to be made upon the following terms and conditions:

1. The Principal Investigator is Jenitha G. The project name is "Secure Lab Access Using Card Scanner Plus Face Recognition" The total project grant award for the period of 2020 to 2021 is Rs: 1,13,000. The Supervising Institution is Bharath Institute of Higher Education and Research. The Mentor is Dr.K.Parthiban.

2. These requirements must be met and the project must begin on or before 20.06.2020

3. This Grant shall be paid to the Supervising Institution, under whose supervision, and with the guidance of the Mentor, the Principal Investigator shall be responsible for the research or other activities that are required to complete this project.

4. Semiannual project progress reports are due two months after the close of each six-month project period. The final progress report also includes a lay summary of the project and its accomplishments. A financial report is due two months after the end of each year of the project. If the entire project period is more than one year but less than two, financial reports are due two months after the end of the first year, and two months after the end date of the project. Ten percent of the total award is retained until all reports have been received and accepted by the United Semiconductor Solutions

We wish you success in your research.

Dear Chockalingam M.P.,

We are glad to notify you that your proposal for financing the research project has been approved after a careful review of its contents, including the specifics of the following:

Principal Researcher: Chockalingam M.P..

Total project expenses amount to Rs. 1,04,000.00/- [One lakh four Thousand Only].

Project Title: The Effect of Xylene on The Biochemical and Physicochemical Properties and Algal Dynamics in a Culture

Project Time: 2020-2021

Bharath Institute of Higher Education and Research Mentor: Dr.M.Praveen represents the planned research institution.

Before initiating the Project, please consider the following:

I. Funds will not be sanctioned in a single amount and will be disbursed in distinct segments.

II. You must provide substantiated papers, such as sufficient evidence of Registration, IRB permission, and many others. In support of your request for financial aid.

III. The Principal Investigator is the authorized person to explain any issues pertaining to the research project and its activities.

The customary method of establishing payment in favor of the group (as used worldwide) may be followed.

V. A report on the audited statement on the mission's greatest achievement is to be delivered, as is customary.

On a regular basis, research and task development-related reports must be delivered.

As an indication of your recognition of these agreements, please sign the copied duplicate of this letter and return it to us so that we may proceed with extra vital business.

Typically, Planning of Reports will collaborate with us to distribute the asset in phases.

When delays in completing a project are observed, genuine causes and outside interests must be provided.

Dear Mohamed Racik K.

We are ecstatic to inform you that your request for funding for the Research Project titled "Monitoring Suspicious Discussions On Online Forums Using Data Mining" has been approved following a careful review of all of its contents, down to the smallest detail. The mentor for this project is Dr. K. Anu Priya, who works at the Bharath Institute of Higher Education and Research. The project's total cost is 1,03,050 dollars (One Lakh three thousand and fifty only).

Before you get started on the project, make sure you keep the following in mind:

a) Rather than making a single payment in the form of a large quantity of money, the money might be paid for in installments.

b) You must provide evidence to support your application for financial help, such as official proof of registration, approval from the IRB, and other such items.

c) If you have any questions about the project or the research that is being done on it, the only person who can answer such questions is the Principal Investigator.

d) The established protocol for making a payment in the name of the Institution has to be adhered to at all times (as provided below).

g) Upon completion of the project, a report on the Audited Statement will be prepared by standard practice.

f) Whenever it is required, updates on the research progress and the project shall be sent.

As evidence that you have read, understood and agreed to be bound by these terms and conditions, you must sign this letter and send us a duplicate copy. If you can provide updates frequently, releasing the cash in phases is much more straightforward for us. It is necessary to provide valid reasoning and explanations if there is a delay in the eexecutingoject.

With warmest regards

Dear Sudharsan R.R.

We are delighted to tell you that your funding request for the Research Project titled "Tab Based Library Book Availability & Location Finder On Wifi" has been approved following a careful review of its contents, even the tiniest details. Dr. K. Anu Priya of Bharath Institute of Higher Education and Research is the project's mentor, and the entire cost is 1,06,650 (One Lakh six thousand six hundred fifty only).

Keep the following points in mind before starting the project:

a) Instead of a single lump-sum payment, the money will be allowed to be paid in installments.

b) You must offer documentation to support your financial aid application, such as formal proof of registration, IRB permission, etc.

c) The only individual who can answer inquiries concerning the Project and its research activities is the Principal Investigator.

d) The standard procedure for making a payment in the Institution's name must be followed (provided below).

g) At the end of the project, a report on the Audited Statement will be produced, as is customary.

f) As needed, research and project progress reports will be provided.

You should sign and provide a duplicate copy of this letter as proof of acceptance of these terms and conditions. If you report regularly, it will be easier for us to release funds in stages. When a project's completion is delayed, valid explanations and justifications must be offered.

Best regards.

Dear Mr. KARTHICK A

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	larvicidal activity of Woodfordia fructicosa Kurz. against housefly larvae
Project Time	2020-2021
Total cost of the Project	106000/- (One lakh six thousand only)
Name of the organization / Institution	Bharath Institute of Higher Education and Research
Principal Investigator	KARTHICK A
Mentor's Name	Dhivakar

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project's completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated.

Dear Subramaniam D.

We are pleased to inform you that your request for funding for the Research Project titled " larvicidal activity of Phyllanthus emblica against spodoptera litura " has been granted after a comprehensive review of its contents, including the fine points. The project's overall cost is 75000 (seventy five thousand only), the institution is Bharath Institute of Higher Education and Research, and the mentor is Dr. K. Aiwarya

Before you begin the project, keep the following considerations in mind:

a) The fund will be approved in installments rather than one big payment.

b) You must provide supporting documentation to back up your application for financial assistance, such as approved evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.

g) After the project, a report on the Audited Statement will be produced, as is customary.

f) Research activities and project progress reports will be given as needed.

You should sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action. It would be easier for us to distribute funding in phases if you report regularly. Valid reasons and justifications must be presented when a project's completion is delayed.

Dear Elumalai N.

We are exceptionally happy to illuminate you that your Research Project has been considered for award of Fund, after an intensive investigation of your solicitation and subtleties of the accompanying,

Title	larvicidal activity of Leucas aspera against spodoptera litura
Project Time	2020-2021
Total cost of the Project	102540 (one lakh two Thousand five hundred forty rupees Only)
Name of the organization / Institution	Bharath Institute of Higher Education and Research
Principal Investigator	Elumalai N.
Mentor's Name	Kannagavalli G

Please notice that the Fund could be sanctioned in multi tiers. In order to facilitate us to impact the fee according with the above, the phrases and situations, as indexed below, are to be fulfilled by using you:

- For studies sports, please make certain that the Principal Investigator on my own is at risk of answer in completing the mission.
- The grant will be paid to the Institution most effective because it takes care of supervising and mentor guiding.
- A file at the Audited Statement on final touch of the assignment is required to be submitted.
- The Reports, as and whilst asked for (Normally, it's miles as soon as in six months) in the prescribed layout on the progress of undertaking is to be submitted.
- If the stated phrases and conditions are agreeable to you, you're cautioned to signal inside the reproduction of this letter and return the same for processing the price of fund, as first step.
- In the exquisite case of delay in completing the task you're counseled to inform us, nicely in advance.

In such event, the put off is to be justified through submission of short document.

We wish you all the pleasant.

Dear Mrs. V. KHANNA

We are delighted to notify you that your proposal for funding for the Research Project has been approved following a thorough review of its contents, including the finer points, with the exception of submitting the following information:

Principal Investigator: Mrs. V. KHANNA

Total cost involved in the Project: 78,000/- (Seventy-eight thousand only)

Project Title: Anaesthetic challenges associated with achondroplasia: a case report

Project Time: 2020-2021

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr. S. Pradeep.

Kindly keep the following in mind before starting the Project:

a) The fund will not be sanctioned in one lump sum and will be disbursed in stages.
b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.
c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.
d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.
e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.
f) Reports on research efforts are to be presented whenever they are requested.

You are recommended to sign the duplicate copy of this letter as a token of acceptance of these terms and conditions and send it to us for further action on our end.

Reporting at regular intervals will make it easier for us to disburse the funds in stages.

When a project's completion is delayed, valid explanations and justifications must be given

We wish you all success.

Dear Divya A.

We are satisfied to illuminate you that your solicitation for financing the Research Project named " **Applications in Medicine and Cosmetology of the Mycology-Nanotechnology Interface**" has been acceded after careful examination of its contents including the niceties apart from providing the information of Principal Investigator **Divya A**, the total cost involved in the Project is Rs. 90,000/- Project Time is 2020-2021, the Institution is Bharath Institute of Higher Education and Research where the Project Research is proposed to conduct and Mentor is Dr. Velmurugan P.

Before you start the project, please note the following:

- Funds will not be penalized at the same rate and will be released at different stages.
- You must provide supporting documents such as appropriate proof of registration, IRB approval certificate, etc. to justify his request for financial assistance.
- The Principal Researcher is the person authorized to clarify all questions related to the project and research activities.
- Normal procedures for making payments to institutions (as accepted elsewhere) are followed.
- A report should be submitted as usual on the audited project closure statement.
- Reports of research activities and project progress should be submitted, if any.

As a badge of acknowledgment of these agreements, you are encouraged to sign in the copy duplicate of this letter and send it to us for additional important activity at our end.

Planning of Reports, at customary spans will work with us to dispense the asset in stages. At the point when any deferral in finishing the task is seen, substantial reasons and legitimizations are to be expressed.

We wish you all success.

Dear Angelin Fiona D.J.

We have examined your application for Grant of asset towards Research Project and have joy in enlightening you that the asset is embraced in view of the equipping the nuances of –

1. The name of the principal investigator: Angelin Fiona D.J.
2. The name of the project (Title): A cellulose nanofiber with highly dispersive Co3O4 nanoparticles was used to create a flexible supercapacitor with good performance.
3. The total project grant for the period from 2020 to 2021.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Arul Selvi
6. Fund granted: 96000 (Ninety Six Thousand Only)

The half-yearly endeavor progress reports are to be submitted inside two months from the finish of the errand season of once in a half year. The last report should cover a complete rundown of the Project and its happenings.
The financial report is to be submitted inside two months of the completion of the endeavor accepted every year. Exactly when the all out task time period takes period of more than one year and additionally under two years, then, the Financial reports will be submitted inside two months after the completion of first year as first stage and inside two months after fulfillment of the endeavor, as second stage.
A halfway sum as definite stage installment will be delivered on receipt, everything being equal, acknowledged by us.

Wishing you all success.

Dear Rabiathul Adhira M.

We are satisfied to illuminate you that your solicitation for financing the Research Project has been consented after cautious assessment of its substance including the amenities separated from giving the data of the accompanying:
Principal Investigator: Rabiathul Adhira M.
Total cost involved in the Project: 90,000 [Ninety Thousand Only]
Project Title: A high-performance supercapacitor based on the addition of NiO nanoparticles to MoS2/reduced graphene oxide
Project Time: 2020-2021
Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research
Mentor: Dr.M.Manikandan

Prior to undertaking the Project, kindly remember the accompanying:

a) The fund will not be endorsed in one lump sum and will be delivered in instalments.
b) On the side of your case for funding assistance, you must present proof reports such as adequate confirmation for registration, receipt of IRB endorsement, and so on.
b) The Principal Investigator is the authorised person to explain any issues relating to the Project and Research activities.

d) The standard approach of establishing the Institution (as used everywhere) will be followed.

e) As is customary, a report on the Audited Statement will be presented at the task's conclusion.

f) Reports on research and project progress should be introduced as necessary.
You are urged to sign the copy duplicate of this letter as a badge of acknowledgement of these agreements and send it to us for additional important activity on our end.

Reports will work with us to disburse the asset in phases at regular intervals.

When there is a significant delay in completing the assignment, meaningful explanations and defences must be provided.

Dear Harini R.

We are pleased to notify you that your application for a research project grant has been accepted, and we will approve the sanction of funds in phases.

We confirm the details (as provided by you) in the required format.

Caffeine use in late adolescence: Nickel nanoparticle synthesis and characterisation using a solution cold plasma jet is the title of the project. Harini R., Principal Investigator 1,06,000.00 total project cost (One Lakhs Six Thousand Only). Project duration is 2020-2021. Bharath Institute of Higher Education and Research is the name of the institution where the research project is being carried out.

The terms and conditions are as follows:

• With the Mentor's supervision, the funds will be paid to the Institution in charge of Supervision.

• The Principal Investigator is responsible for all research activities necessary to finish the project.

• You must meet the essential requirements and submit the evidence for Proof of Registration, Proof of IND approval, Proof of IRB approval, and so on.

• The first part of payment will be granted upon receipt of this copy, fully signed, demonstrating that the aforesaid conditions have been met.

• At the conclusion of the project, you shall provide a Report on the Audited Statement.

Reports on bi-annual project progress must be submitted within two months of the end of the project period, which is once every six months. The final report should provide a detailed summary of the Project and its occurrences.

Every year, the financial report must be submitted within two months of the completion of the project. If the project is completed in more than one year but less than two years, the financial reports must be filed within two months of the end of the first year and within two months of the project's completion, according to our guidelines.

The last stage of money payment will be made upon receipt of all reports that have been approved by us.

We wish you the best of luck.

Dear Reddy D.S.

This is in response to your application dated 08-05-2020, in which you requested funding for your research project.

After reviewing your presentation and considering the comments of Principal Investigator- Reddy D.S., we are pleased to finance your Research Project Current state and future prospects of metallic nanoparticles used in biomedicine for treating cancer-The duration of the project is 2020-2021-, the organisation is Bharath Institute of Higher Education and Research, and the cost of the project is Rs.1,00,060/-
Please be aware that the funds will be distributed to your organisation in batches based on the completion of each step's reports.
You are required to follow the processes, such as registration, that are required in this respect.

You may be aware that the Principal Investigator is the person to contact with any questions about the Project and Research, as well as the organization's supervisory and mentoring responsibilities.

You are also notified that, following the completion of the Project, the Report on the Audited Statement, in addition to bi-annual progress reports and the production of a summarised report on the Project's end, must be submitted.

Best wishes

DESHNA FEATURES

Dear Sir,

We are satisfied to let you know that your solicitation for financing the Research Project has been consented after cautious assessment of its items comprehensive of the amenities separated from giving the information of the resulting:

Head Investigator: Arif Yezdani A.

Absolute expense associated with the Project: 85,000 [Eighty Five Thousand Only]

Project Title: Copper nanoparticles with extra surface electrons that are non oxidised and are in the atmosphere.

Project Time: 2020-2021

Foundation where the Project Research is proposed: Bharath Institute of Higher Education and Research, Chennai-600073.

Dear Satpathy G.

We have examined your application for Grant of asset towards Research Project and have joy in enlightening you that the asset is embraced in view of the equipping the nuances of –

1. The name of the principal investigator: Satpathy G.
2. The name of the project (Title): Thiol protected nickel nanoparticles with extra surface electrons that are non oxidised and are in the atmosphere.
3. The total project grant for the period from 2020 to 2021.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Arul Selvi
6. Fund granted: 90000 (Ninety Thousand Only)

The half-yearly endeavor progress reports are to be submitted inside two months from the finish of the errand season of once in a half year. The last report should cover a complete rundown of the Project and its happenings.
The financial report is to be submitted inside two months of the completion of the endeavor accepted every year. Exactly when the all out task time period takes period of more than one year and additionally under two years, then, the Financial reports will be submitted inside two months after the completion of first year as first stage and inside two months after fulfillment of the endeavor, as second stage.
A halfway sum as definite stage installment will be delivered on receipt, everything being equal, acknowledged by us.

Wishing you all success.

Sincerely
For CADILA HEALCARE PVT.LTD.

Dear Kannan A.

With reference to your request dated 21.04.2020 for granting the Fund for your Research Project titled "Enhancing the Anisotropy of Magnesium Nanoparticles for Applications in Light Harvesting and Photocatalysis" and taking into consideration of the contents therein, Total cost of the Project Rs. 1,06,000.00, Project Period Six months, Principal Investigator Kannan A., Institution in which the Research Project is to take on Bharath Institute of Higher Education and Research. We are happy to inform that your Research Project has been considered for sanction of fund which will be released in stages in the name of Bharath Institute of Higher Education and Research in which the Project is to take on.

You have to abide by the norms/guidelines so fixed by us and meet out the requirements of producing the proof of Registration etc. and other procedures. .

The Principal Investigator will be called for any elucidation relating to the Research Project.

It is to be noted that submission of the timely Reports of progress on the Research Project will enable us to release payments accordingly. However, by returning to us the copy of the letter, duly signed by you to indicate your acceptance of our conditions, the first stage of fund will get released. It is also considered essential to submit to us the Audited Statement, Final Report on completion of the Project.

Wishing you all the best.

Dear: Pearlin Mary N.S.G.

We are delighted to notify you that your proposal for funding for the Research Project has been approved following a thorough review of its contents, including the finer points, with the exception of submitting the following information:

Principal Investigator: Pearlin Mary N.S.G.

Total cost involved in the Project: 104690/-

Project Title: **To make copper nanoparticles more anisotropic for use in photocatalysis and light harvesting,**

academic performance of first year medical students Project Time: 2020-2021

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr. K. Mukeesh

Kindly keep the following in mind before starting the Project:

a) The fund will not be sanctioned in one lump sum and will be disbursed in stages.

b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.

e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

f) Reports on research efforts are to be presented whenever they are requested. You are recommended to sign the duplicate copy of this letter as a token of acceptance of these terms and conditions and send it to us for further action on our end. Reporting at regular intervals will make it easier for us to disburse the funds in stages. When a project's completion is delayed, valid explanations and justifications must be given We wish you all success.

Dear Priyadarshini B.A.

This letter is in response to your May 12, 2020 application, in which you requested financing for your research study.

We are glad to fund your Research Project- Gold/Copper Ion-Enhanced Emission of Dye-Doped Coordination Polymer Nanoparticles for Light-Harvesting Antenna Regulation the opinions of Principal Investigator- Priyadarshini B.A.. The project runs from 2020 to 2021, the organisation is Bharath Institute of Higher Education and Research, and the cost is 1,13,000 rupees (One Lakhs Thirteen Thousand only).

Please be informed that the cash will be given to your organisation in phases, once each step's reports are completed.

You must follow the formalities that are required in this regard, such as registration.

You may already know that the Principal Investigator is the person to contact if you have any queries concerning the Project and Research, as well as the organization's supervisory and mentoring obligations.

You are also advised that the Report on the Audited Statement, as well as bi-annual progress updates and the development of a summarised report at the Project's end, must be provided following the Project's completion.

Best wishes.

Dear Dhanalekshmi K.I.

After careful examination the project entitled "Gold/Copper Ion-Enhanced Emission of Dye-Doped Coordination Polymer Nanoparticles for Bioimaging Applications" has been approved for the year 2020-2021.

Prior to undertaking the Project, kindly remember the accompanying:

Fund won't be authorized in one quantum and it will be delivered at various stages. You need to create validate reports like Adequate confirmation for Registration, Receipt of IRB endorsement and so forth on the side of your case for subsidizing help. The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research. The typical method of making instalment for the Institution (as embraced anyplace) will be followed. A report on the Audited Statement on fruition of the venture is to be introduced, as is being done as a rule.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

Dear Praveena S.M

We are pleased to inform you that your proposal for funding for the Research Project titled " CoO nanoparticles were created and used as effective electrode materials in supercapacitors." has been granted after thorough consideration of its contents, even the tiny details. The total cost of the project is 1,04,000 (One Lakhs Four thousand only), and the mentor is Dr. K. Anu Priya of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than as a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided at the conclusion of the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report on a frequent basis. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Dear Vinod Kumar P.

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been sanctioned based on the information provided.

1. The name of the principal investigator: Vinod Kumar P.
2. The name of the project (Title): Iron Nanoclusters for high-efficiency quantum yield photoluminescence materials
3. The total project grant for the period from 2020 to 2021-.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Dr. P. Rajesh
6. Fund granted: Rs. 106000/-

Dependent upon the agreements as specified beneath:

a)Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

IDRF/2020/SO/015 **17.05.2020**

Dear Kowsalya E.

We are pleased to inform you that your request for funding the Research Project titled " **Ag/ Ag/Cu Nanoclusters for high-efficiency quantum yield photoluminescence materials** " has been approved following a thorough review of its contents, including the fine points. Apart from providing the information of Principal Investigator Kowsalya E., the total cost of the Project is Rs. 90,000/- (Ninety Thousand Only), the Institution is Bharath Institute of Higher Education and Research where the Project Research is proposed to conduct and Mentor is Dr. K. Anu Priya

Before undertaking the Project, please bear in mind the following:

a) The fund will not be sanctioned in one quantum and will be disbursed in stages.

b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.

e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

f) Reports on research activities and project progress are to be presented as needed.

As a token of acceptance of these terms and conditions, you are advised to sign in the duplicate copy of this letter and send it to us for further necessary action at our end.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

We wish you all success.

Dear Indra Gandhi R.

We are pleased to inform you that your funding proposal for the indicated Research Project has been accepted. " Current state and future prospects of Ni/Co nanoparticles used in biomedicine for treating cancer " has been accepted after careful examination of its contents, including the niceties, aside from providing the information of Principal Investigator Indra Gandhi R., the total cost involved in the Project is Rs.1,00,000/- (One Lakhs Only), Project Time is 2020-2021, and the Institution is Bharath Institute of Higher Education and Research where the project is being carried out. Please keep the following in mind before beginning the Project:

a) The fund will not be granted in one lump sum and will be delivered in instalments.
b) On the side of your case for subsidising assistance, you must prepare proof archives such as adequate verification for Registration, Receipt of IRB endorsement, and so on.
b) The Principal Investigator is the authorised person to explain any issues relating to the Project and Research activities.
d) The standard manner of making payments to the Institution (as used anywhere) shall be used.
e) As is customary, a report on the Audited Statement at the conclusion of the project will be presented.
f) Reports on research and project progress should be introduced as necessary.

You are invited to sign the copy duplicate of this letter as a signal of recognition of these agreements and send it to us for additional important activity on our end.

At regular intervals, Reports Readiness will collaborate with us to disburse the asset in stages. When any delay in completing the assignment is noticed, legitimate reasons and justifications must be provided.

We wish you all success.

Greetings, HARISH S.

This is in response to your application dated 1.06.2020, in which you requested funding for your research project.

After reviewing your proposal and considering the comments of Principal Investigator- HARISH S, we are pleased to sponsor your Research Project- Cylindrical Surface Modification for Thiol-protected iron nanoclusters for enriched Capacitance. The duration of the project is 2020-2021, the organization is Bharath Institute of Higher Education and Research, and the cost of the project is Rs.100000/-.

Please be aware that the funds will be distributed to your organization in batches based on the completion of each step's reports.

You are instructed to complete the necessary processes, such as registration, in this respect.

You may be aware that the Principal Investigator is the person to contact with any questions about the Project and Research, as well as the organization's duty for supervising and mentoring.

You are also advised that the Report on the Audited Statement is to be presented after the completion of the project, in addition to the submission of periodical progress reports bi-annually, the development of a summary report on the Project's conclusion, and so on.

Best wishes.

Nanubhai Amin Marg, Industrial Area, P.O. Chemical Industries, Vadodara - 390 003 Gujarat. India.

Dear MOHAN D

We have scrutinized your application for Grant of fund towards Research Project and have pleasure in informing you that the fund is sanctioned on the basis of the furnishing the details of –

1. The name of the principal investigator: MOHAN D
2. The name of the project (Title): Iron nanoparticles were created and used as effective electrode materials in supercapacitors.
3. The total project grant for the period from 2020 to 2021
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Dr. M. Suresh
6. Fund granted: 106000/-

Concern to the terms and conditions as stipulated beneath:
A) Meeting out the requirements completely for proof of Registration, proof of receipt of IRB approval, evidence of Receipt for IND approval and so forth.
B) The furnish might be paid without delay to the organization below whose supervision with the steerage of the Mentor.
C) The primary Investigator is accountable for the activities of research, which might be required to be finished for this venture.
D) The first degree of liberating the Fund will arise most effective on receipt of duplicate reproduction, duly signed for pleasurable the situations as referred to above.
The bi-annual undertaking development reports are to be submitted within months from the near of the mission duration of as soon as in six months. The very last document need to cowl a complete precis of the mission and its happenings. The monetary file is to be submitted inside months of the completion of the mission undertaken each 12 months. Whilst the entire venture duration takes time of a couple of year and /or less than years, then the monetary reports will be submitted inside two months after the stop of first 12 months as first phase and within months after of entirety of the project, as 2nd segment.

A partial amount as final level payment may be released on receipt of all reports, popular with the aid of us. All the Best.

Sub: Approval of project proposal

*It is pleased to inform you that your application for funding has received approval in the amount of **Rs: 103000/-** to support the following: "**Chemical approaches for aromatic thiol protected magnesium nanoparticles for Light Harvesting and Photocatalysis applications**" for one year duration.*

As part of our project funding Payment Option, you will receive your funding as a direct grant that will not require you to expend your own funds and request a reimbursement. In order to accept your grant and receive payment, you must complete the attached Grant Agreement and return them within two weeks. In addition, you will be required to fill out a final report on your project once your program is complete.

You are required to complete a Final Report within two weeks of completing your project for proof of project completion.

In addition to your Final Report, please provide:

- *[List any other materials you may require] (i.e. receipts, programs, images)*

If you are unable to complete your project you will be required to repay the grant funds.

There were many worthwhile applications for funding and only a select few were funded during this grant cycle. We congratulate you and thank you for your efforts on behalf of our community. Please contact us if you have any questions.

Sincerely

Dear Suresh Kumar S.

With reference to your request dated 24.05.2020 for the granting of the Fund for your Research Project titled " Zn doped titanium nanoparticles used in biomedicine for treating cancer " and taking into consideration the contents therein, the following information will be provided to you: the total cost of the project will be Rs. 1,01,000.00, the Project Period will be one year, the Principal Investigator will be Suresh Kumar S. and the Institution which We are pleased to let you know that your Research Project has been given serious consideration for the authorization of funding. These monies will be distributed in phases in the name of the Bharath Institute of Higher Education and Research, which will be responsible for carrying out the Project.

You are obligated to comply with the standards and rules that have been established by us, as well as the criteria for the production of evidence of Registration and other processes.

In the event that anything about the Research Project has to be clarified, the Principal Investigator will be contacted.

It is important to keep in mind that the timely delivery of the Reports of progress on the Research Project will allow us to issue payments in accordance with such reports. You will, however, be able to access the first stage of the fund if you provide us with a copy of the letter that has been properly signed by you to show that you agree to our terms and conditions. The submission of the audited statement as well as the final report upon completion of the project is something that we regard to be of the utmost importance.

I hope that everything works out for you.

Dear Gowd M.S.

We are pleased to inform you that the Metropolis Healthcare Limited, Mumbai has approved your application for a grant. The Grant is to be made upon the following terms and conditions:

The Principal Investigator is Gowd M.S.. The project name is "Bimetal nanoparticles used in biomedicine for treating cancer" The total project grant award for the period of 2020 to 2021 is Rs: 1,13,000/- [One Lakhs Thirteen Thousand only]. The Supervising Institution is Bharath Institute of Higher Education and Research. The Mentor is Dr. K. Parthiban. The financial contact is Dr. K. Parthiban.

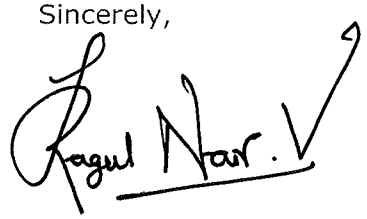

These requirements must be met and the project must begin on or before 05.06.2020.

This Grant shall be paid to the Supervising Institution, under whose supervision, and with the guidance of the Mentor, the Principal Investigator shall be responsible for the research or other activities that are required to complete this project.

Semi-annual project progress reports are due two months after the close of each six-month project period. The final progress report also includes a lay summary of the project and its accomplishments. A financial report is due two months after the end of each year of the project. If the entire project period is more than one year but less than two, financial reports are due two months after the end of the first year, and two months after the end date of the project. Ten percent of the total award is retained until all reports have been received and accepted by the Metropolis Healthcare Limited, Mumbai.

We wish you success in your research.

Sincerely,

For REPTILE CHROME FACTORY

IDRF/2020/SO/045 01.05.2020

Dear Bhuvaneswari K.

We are ecstatic to inform you that your request for funding for the Research Project titled " Copper oxide Nanoparticles Exhibit Strong Deep-Level Interaction Of Water Splitting " has been approved following a careful review of all of its contents, down to the smallest detail. The project will be titled " Copper oxide Nanoparticles Exhibit Strong Deep-Level Interaction Of Water Splitting." The mentor for this project is Dr. K. Anu Priya, who works at the Bharath Institute of Higher Education and Research. The project's total cost is 1,09,000/- (One Lakhs Nine Thousand only).

Before you get started on the project, make sure you keep the following in mind:

a) Rather than making a single payment in the form of a large quantity of money, the money might be paid for in installments.

b) You must provide evidence to support your application for financial help, such as official proof of registration, approval from the IRB, and other such items.

c) If you have any questions about the project or the research that is being done on it, the only person who can answer such questions is the Principal Investigator.

d) The established protocol for making a payment in the name of the Institution has to be adhered to at all times (as provided below).

g) Upon completion of the project, a report on the Audited Statement will be prepared by standard practice.

f) Whenever it is required, updates on the research progress and the project shall be sent.

As evidence that you have read, understood and agreed to be bound by these terms and conditions, you must sign this letter and send us a duplicate copy. If you can provide updates frequently, releasing the cash in phases is much more straightforward for us. It is necessary to provide valid reasoning and explanations if there is a delay in the eexecutingoject.

With warmest regards

Varun Mathew S

Dear Mitthra S
Bharath Institute of Higher Education and Research

We are happy to inform you that your application for Grant of fund towards Consultancy Project has been accepted and approve the sanction of amount in stages.

We hereby confirm the particulars (as given by you) in the requisite format.

Consultancy Project Title: Cobalt Nanoparticles with Blue Emission Made via Organic-Phase Synthesis for LEDs

Principal Investigator: Mitthra S

Total Project Cost: 106080/- (One Lakh Six Thousand Eighty Only).

Duration of the Project: 2020-2021

Name of the Institution in which the Consultancy Project is undertaken: Bharath Institute of Higher Education and Research.

Following are the terms and conditions:

- The fund will be paid to the Institution which is responsible for Supervision with the guidance of the Mentor.
- The Principal Investigator is accountable for the consultancy project.
- You have to fulfill the necessary Requirements and submit the Evidence for Proof of Registration, Proof of Receipt for IND approval, Proof of receipt of IRB approval, etc.
- The initial stage of payment will be released on receipt of this copy, duly signed for satisfying the conditions as stated above.
- You should submit a Report on the Audited Statement at the end of the Project.

The Reports on bi-annual project progress will have to be submitted within two months from the close of the project period of once in six months. The ending report should cover full précis of the Project and its events.

The financial report is to be submitted within two months of the completion of the project undertaken every year. If the completion of the project period is beyond one year but below two years, the financial reports are required to be submitted within two months after the end of first year and within two months after completion of the project, as per norms prescribed by us.

The final stage payment of fund will be granted on receipt of all reports, approved by us.

We wish you all success.

Sincerely,

For INFOBUY SYSTEMS PVT. LTD.

Dear Subramaniyan K

We are pleased to inform you that your proposal for funding for the Research Project titled "Vehicle accident intimation and location finder using GSM and GPS" has been granted after carefully considering its contents, including the fine points. Aside from providing details about Principal Investigator Subramaniyan K, the project's total cost is 28,500 (twenty-eight thousand five hundred only). The institution is the Bharath Institute of Higher Education and Research. The mentor is Dr. K. Anu Priya.

Before starting the project, please bear the following considerations in mind:

a) The fund will be approved in instalments rather than a single lump payment.
b) You must provide supporting documentation to back up your request for financial assistance, such as approved evidence of registration, IRB approval, and so on.
c) The Principal Investigator is the only person who may respond to the project's questions and its research activities.
d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.
g) After the project, a report on the Audited Statement will be published as is customary.
f) Research and project progress updates will be given as needed.
It is suggested that you sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action on our part. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be offered when a project's completion is delayed.

Best wishes.

Reference number: 2020CHC/P/41 dated June 12, 2020

Greetings to TANUSHA.

This letter talks about your Research Project Funding Request from May 1, 2020.

We are happy to give you money for your research project, which is to design and make a pneumatic time delay circuit. We looked over your proposal and took into account what Principal Investigator Sivakumar K said. The Project will run from 2020 to 2021. Project Cost: 89000; organization: Bharath Institute of Higher Education and Research; organization: Bharath Institute of Higher Education; (Eighty-Nine Thousand Only)

Please keep in mind that the money will be sent to your organization in batches after each step's report is done. You must do what needs to be done, such as filling out the registration form, etc. The Principal Investigator should be asked anything about the Project or Research, as well as about who is in charge of supervision and mentoring.

At the end of the project, in addition to the progress reports given every six months, a report on the audited statement must also be given.

I hope things go well for you.

Dear ***Sarumathi***

Sub: Approval of project proposal

It is pleased to inform you that your application for funding has received approval in the amount of ***Rs:80,000.00*** *for* ***one year*** *duration.*

As part of our project funding Payment Option, you will receive your funding as a direct grant that will not require you to expend your own funds and request a reimbursement. In order to accept your grant and receive payment, you must complete the attached Grant Agreement and return them within two weeks. In addition, you will be required to fill out a final report on your project once your program is complete.

You are required to complete a Final Report within two weeks of completing your project for proof of project completion.

In addition to your Final Report, please provide:

• *[List any other materials you may require] (i.e. receipts, programs, images)*

If you are unable to complete your project you will be required to repay the grant funds.

There were many worthwhile applications for funding and only a select few were funded during this grant cycle. We congratulate you and thank you for your efforts on behalf of our community. Please contact us if you have any questions.

Sincerely

Dear Madhubala,

We are pleased to tell you that your request for funding the Research Project has been acceded after careful examination of its contents inclusive of the niceties apart from providing the data of the subsequent:

Principal Investigator and Institute: Ms. Kavitha F, Bharath Institute of Higher Education and Research.

Total cost involved in the Project: 71000 [Seventy Two Thousand Only]

Project Title: International network of cancer genome projects

Project Time: 2019-2020

Mentor: Dr. Anitha M.

Prior to undertaking the Project, kindly remember the accompanying:

Fund won't be authorized in one quantum and it will be delivered at various stages. You need to create validate reports like Adequate confirmation for Registration, Receipt of IRB endorsement and so forth on the side of your case for subsidizing help. The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research. The typical method of making instalment for the Institution (as embraced anyplace) will be followed. A report on the Audited Statement on fruition of the venture is to be introduced, as is being done as a rule. Whenever required, the Reports are to be introduced with respect to the exercises of Research and Project progress. Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

Dear Ranjith,

We are pleased to inform you that your proposal for funding for the Research Project titled "On the Morse index theorem" has been granted after carefully considering its contents, including the fine points. Aside from providing details about Principal Investigator Indhumathi N, the project's total cost is 73000. The institution is the Bharath Institute of Higher Education and Research. The mentor is Dr. K. Anu Priya.

Before starting the project, please bear the following considerations in mind:

a) The fund will be approved in instalments rather than a single lump payment.
b) You must provide supporting documentation to back up your request for financial assistance, such as approved evidence of registration, IRB approval, and so on.
c) The Principal Investigator is the only person who may respond to the project's questions and its research activities.
d) The standard procedure for making a payment in the name of the Institution (as described herein) must be followed.
g) After the project, a report on the Audited Statement will be published as is customary.
f) Research and project progress updates will be given as needed.
It is suggested that you sign the duplicate copy of this letter as a signal of acceptance of these terms and conditions and return it to us for further action on our part. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be offered when a project's completion is delayed.

Best wishes.

Dear ....

We are pleased to inform you that your proposal for funding for the Research Project titled "Neuroprotective effect of Bacopa monnieri against chloride-induced oxidative stress and apoptosis in the hippocampus of Wistar rats" has been granted after thorough consideration of its contents, even the tiny details. The project's total cost is Rs.78,000 /-. and the mentor is Sivachandran of Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in installments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Dear .,

Principal Investigator: Kanniga E.
The total amount of money that will be spent on the project is Rs.82,000/- (Eighty two Thousand only)

Non surgical therapy in periodontal disease

Project Time: 2019-2020

Bharath Institute of Higher Education and Research, located in Chennai-600073, is the institution where it is suggested to conduct the research project.

Mr. Mohan G. served as a guide.

Before beginning the project, it would be helpful if you could keep the following things in mind if it's not too much trouble:

Arranging Reports, at the established time intervals, will collaborate with us to divide the available resource into phases. When it becomes apparent that there will be a delay in finishing the task, the true reasons for the delay as well as any additional interests should be disclosed.

Dear Paul P.K.

After careful examination the project entitled "Big data management, data science and data analytics: What is it and where— an educational in Indian perspective" has been approved for the year 2019-2020.

Prior to undertaking the Project, kindly remember the accompanying:

Fund won't be authorized in one quantum and it will be delivered at various stages. You need to create validate reports like Adequate confirmation for Registration, Receipt of IRB endorsement and so forth on the side of your case for subsidizing help. The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research. The typical method of making instalment for the Institution (as embraced anyplace) will be followed. A report on the Audited Statement on fruition of the venture is to be introduced, as is being done as a rule.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

Dear Mr. Mohankumar T

We are pleased to inform you that your request for funding the Research Project has been acceded after careful examination of its contents including the niceties apart from providing the information of the following:
Principal Investigator: Mr. Mohankumar T

Total cost involved in the Project: 73,000/- (Seventy three thousands only)

Project Title: Oral conditions in renal disorders
Project Time: 2019-2020
Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research
Mentor: Dr.S.Praveen.

Before undertaking the Project, please bear in mind the following:
a) The fund will not be sanctioned in one lump sum and will be disbursed in stages.
b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.
c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.
d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.
e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.
f) Reports on research activities and project progress are to be presented as needed.

You are recommended to sign the duplicate copy of this letter as a token of acceptance of these terms and conditions and send it to us for further action on our end. Reporting at regular intervals will make it easier for us to disburse the funds in stages. When a project's completion is delayed, valid explanations and justifications must be provided.

We wish you the best of luck.

Ref No. 203/mkn Date 03.07.2019

Dear

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been sanctioned based on the information provided.

1. The name of the principal investigator: Porkodi T
2. The name of the project (Title): Orientin: A C-glycosyl flavonoid that mitigates colorectal cancer
3. The total project grant for the period from 2019 to2020.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Dr Velmurugan
6. Fund granted: Rs.74,000/-

Dependent upon the agreements as specified beneath:

a)Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

Dear Mr. Sampathkumar A

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	Collaborative configurations for wireless sensor networks systems
Project Time	2019-2020
Total cost of the Project	Rs.78,000/-
Name of the organization / Institution	Bharath Institute of Higher Education and Research
Principal Investigator	Mr. Sampathkumar A
Mentor's Name	Dhinakar

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project's completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated.

Dear Ramya S

We are delighted to notify you that your proposal for funding for the Research Project has been approved following a thorough review of its contents, including the finer points, with the exception of submitting the following information:

Principal Investigator: Ramya S

Total cost involved in the Project:Rs.71,000.00/-

Project Title: Design and fabrication of automatic side stand retrive system

Project Time: 2019-2020

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Kindly keep the following in mind before starting the Project:

a) The fund will not be sanctioned in one lump sum and will be disbursed in stages.
b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.
c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.
d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.
e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

Reporting at regular intervals will make it easier for us to disburse the funds in stages. When a project's completion is delayed, valid explanations and justifications must be given We wish you all success.

Sincerely

Dear Allin Geo A.V

With reference to your request dated 21.01.2018 for granting the Fund for your Research Project titled " Energy storage system-based power control for grid-connected wind power farm " and taking into account the contents therein, the following information is provided: Total cost of the Project Rs.73,000.00, Project Period Six Months, Principal Investigator Allin Geo A.V, and Institution where the Research Project will be conducted Bharath Institute of Higher Education and Research. We are pleased to notify you that your Research Project has been approved for funding, which will be disbursed in phases in the name of Bharath Institute of Higher Education and Research, where the project will be conducted.

You must adhere to the rules/guidelines established by us and comply with all other processes, such as providing evidence of Registration, etc.

For any clarification about the Research Project, the Principal Investigator will be consulted.

It should be mentioned that timely submission of the Research Project's Progress Reports will allow us to issue rewards properly. However, if you submit to us a copy of the letter validly signed to demonstrate your agreement to our terms, the first instalment of funds will be issued. We also need the submission of the Audited Statement and Final Report upon completion of the project.

I wish you the best of luck.

Dear Subbulakshmi K.

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been sanctioned based on the information provided.

1. The name of the principal investigator: Subbulakshmi K.
2. The name of the project (Title): Comparative histomorphometric study of intraepithelial papillary capillaries
3. The total project grant for the period from 2019-2020
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Kavitha . M
6. Fund granted: 71,000

Dependent upon the agreements as specified beneath:

a)Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

JDRF/2018/SO/0145 07.07.2018

Dear ....

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been approved based on the following information:

1.Chitralekha S is the name of the principal investigator.

2. Project name (Title): [HTML] Heavy metals toxicity in plants: an overview on the role of glutathione and phytochelatins in heavy metal stress tolerance of plants

3. Total project funding for the years 2018 and 2019.

Bharath Institute of Higher Education and Research is the name of the institution.

Dr.M Santhosh is the mentor's name.

6. Awarded funds: 31000 (Thirty One Thousand Only)

Depending on the terms of the following agreements:

• Completing all requirements for Proof of Registration, Proof of IRB endorsement, Proof of IND endorsement, and so on.

• The Principal Investigator is responsible for the Research Exercises that must be completed for this project and will be paid directly to the Institution under whose supervision and guidance the Mentor.

• The first phase of providing the Fund will begin with the receipt of a copy duplicate that has been duly endorsed for meeting the previously mentioned standards.

The semiannual project progress reports must be submitted within two months after the completion of the six-month project period. The final report should provide a comprehensive overview of the Project and its activities. Each year, the financial report must be submitted within two months of the completion of the task attempted. When the overall project time frame is more than one year and/or less than two years, the financial reports will be submitted within two months of the end of the first year as the first stage and within two months of the project completion as the second stage.

Ref: GCP/SO/2018/017 Date: 12.04.2018

Dear Balaji S

We have examined your application for Grant of asset towards Research Project and have joy in enlightening you that the asset is embraced in view of the equipping the nuances of –

1. The name of the principal investigator: Balaji S
2. The name of the project (Title): Bioremediation of crude oil-contaminated soil: comparison of different biostimulation and bioaugmentation treatments
3. The total project grant for the period from 2019-20
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Arul Selvi
6. Fund granted: 83000

The half-yearly endeavour progress reports are to be submitted inside two months from the finish of the errand season of once in a half year. The last report should cover a complete rundown of the Project and its happenings.
The financial report is to be submitted inside two months of the completion of the endeavour accepted every year. Exactly when the all-out task time period takes period of more than one year and additionally under two years, then, the Financial reports will be submitted inside two months after the completion of first year as first stage and inside two months after fulfilment of the endeavour, as second stage.
A halfway sum as definite stage instalment will be delivered on receipt, everything being equal, acknowledged by us.

Wishing you all success.

GCP/SO/2018/437 31.04.2019

Dear Arunya A

We have scrutinized your application for Grant of fund towards Research Project and have pleasure in informing you that the fund is sanctioned on the basis of the furnishing the details of –

1. The name of the principal investigator: Arunya A
2. The name of the project (Title): UNIQ: Uniform Noise Injection for Non-Uniform Quantization of Neural Networks
3. The total project grant for the period from 2018 to 2019.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Dr.M. Santhosh
6. Fund granted: 71000

Dependent upon the agreements as specified underneath:

- Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth
- The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.
- The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this undertaking.
- The first phase of delivering the Fund will emerge just on receipt of copy duplicate, appropriately endorsed for satisfying the conditions as referenced previously.

The semi-annual venture progress reports are to be submitted inside two months from the end of the undertaking time of once in a half year. The last report should cover a total rundown of the Project and its happenings. The monetary report is to be submitted inside two months of the consummation of the task attempted each year. At the point when the total task time frame takes season of over one year and/or under two years, then, at that point, the financial reports will be submitted inside two months after the finish of first year as first stage and inside two months after fulfilment of the undertaking, as second stage.

Dear Anbuselvi S

We are pleased to inform you that your proposal for funding for the Research Project titled " Novel mutations in *dystonin* provide clues to the patho-mechanisms of HSAN-VI" has been granted after thorough consideration of its contents, even the tiny details. The project's total cost is 74000 (Seventy-four thousand), and the mentor is K. Sushmitha of Bharath Institute of Higher Education and Research.
Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in instalments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

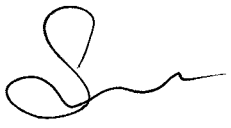

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Dear Dr. Vijayalakshmi K.

We are pleased to inform you that the amount of money you will contribute to the Research Project has been approved after an in-depth analysis of its components, which took into account the conveniences that resulted from refraining from providing the following statistics:
Principal Investigator: Dr. Praveen Kumar S.
The total amount of money that will be spent on the project is 73000
An Effective Investigation Into a Variety of Biometric Procedures
Project Time: 2019-2020
Bharath Institute of Higher Education and Research, located in Chennai-600073, is the institution where it is suggested to conduct the research project.
Mr. Mohan R. served as a guide.
Before beginning the project, it would be helpful if you could keep the following things in mind if it's not too much trouble:

a) The fund may not be suggested in a single amount, rather, it will most likely be increased in phases during the process.
b) You need to provide show reviews such as Adequate evidence for Registration, Receipt of IRB endorsement, and so on as a component of your argument for financial assistance.
c) The Principal Investigator is the only character who is authorized to provide an explanation for any issues that arise in connection with the Project and the actual work that is being done for the Research.
d) The standard method of generating payments for the Institution (which may be used elsewhere) may be used.
e) A record on finishing the venture as is being accomplished usually is to be presented to the Audited Statement, and it is required that this record be provided.
f) The Reports are to be presented with recognition of the physical activities of Research and Project progress at all times when it is essential to do so.

Arranging Reports, at the established time intervals, will collaborate with us to divide the available resource into phases. When it becomes apparent that there will be a delay in finishing the task, the true reasons for the delay as well as any additional interests should be disclosed.

Dear Manikandan A

We are pleased to inform you that your proposal for funding for the Research Project titled "Food Processing in Transportation using Phase change Material (PCM) Technology" has been granted after thorough consideration of its contents, even the tiny details. The project's total cost is 87,450 (Eighty Seven Thousand Four Hundred Fifty only), Bharath Institute of Higher Education and Research.

Before you begin the project, keep the following considerations in mind:

a) The money will be permitted in installments rather than a single lump-sum payment.

b) You must provide supporting documents to back up your financial aid request, such as official evidence of registration, IRB approval, etc.

c) The Principal Investigator is the only person who can answer questions about the Project and its research activities.

d) The Institution's usual process for making a payment in its name must be followed (as provided below).

g) As is typical, a report on the Audited Statement will be provided after the project.

f) Research and project progress updates will be supplied as needed.

As evidence of acceptance of these terms and conditions, you should sign and deliver a duplicate copy of this letter to us. It would be easier for us to distribute funding in phases if you report frequently. Valid reasons and justifications must be presented when a project's completion is delayed.

Best wishes.

Dear Kripa N

It is pleased to inform you that your application for funding has received approval in the amount of **Rs: 74,550** [Seventy Four Thousand Five Hundred Fifty only] to support the following: "**Biodegradable Hydrogel gauze from Nano Sericin and Gelatin**" for **2019 - 2020** duration.

As part of our project funding Payment Option, you will receive your funding as a direct grant that will not require you to expend your own funds and request a reimbursement. In order to accept your grant and receive payment, you must complete the attached Grant Agreement and return them within two weeks. In addition, you will be required to fill out a final report on your project once your program is complete. You are required to complete a Final Report within two weeks of completing your project for proof of project completion.

There were many worthwhile applications for funding and only a select few were funded during this grant cycle. We congratulate you and thank you for your efforts on behalf of our community. Please contact us if you have any questions.

Archana Behera

Sincerely

Dear Meikandaan TP

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been sanctioned based on the information provided.

1. The name of the principal investigator: Meikandaan TP
2. The name of the project (Title):SUSTAINABLE UTILIZATION OF RED MUD WASTE (BAUXITE RESIDUE) AND SLAG FOR THE PRODUCTION OF GEOPOLYMER COMPOSITES
3. The total project grant for the period from 2018 to 2019.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor:
6. Fund granted: 29000 (Twenty-Nine Thousand Only)

Dependent upon the agreements as specified beneath:

a)Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

Dear Prabakaran P

We have scrutinized your application for Grant of fund towards Research Project and have pleasure in informing you that the fund is sanctioned on the basis of the furnishing the details of –

1. The name of the principal investigator: Prabakaran P
2. The name of the project (Title):"NiO Nanoparticles Synthesis by ChemicalPrecipitation and Effect of Applied Surfactanton Distribution of Particle Size"
3. The total project grant for the period from 2018 to 2019.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor:
6. Fund granted: 26000 (Twenty SixThousand Only)

Subject to the terms and conditions as stipulated below:

a) Meeting out the Requirements fully for Proof of Registration, Proof of receipt of IRB approval, Proof of Receipt for IND approval etc.
b) The Grant will be paid directly to the Institution under whose supervision with the guidance of the Mentor.
c) The Principal Investigator is responsible for the activities of Research, which are required to be completed for this project.
d) The first stage of releasing the Fund will arise only on receipt of duplicate copy, duly signed for fulfilling the conditions as mentioned above.

The bi-annual project progress reports are to be submitted within two months from the close of the project period of once in six months. The final report should cover a complete summary of the Project and its happenings.
The financial report is to be submitted within two months of the completion of the project undertaken every year. When the complete project period takes time of more than one year and /or less than two years, then the Financial reports shall be submitted within two months after the end of first year as first phase and within two months after completion of the project, as second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.Wishing you all success.

Dear Sivasubramanian S

We are pleased to inform you that the Metropolis Healthcare Limited, Mumbai has approved your application for a grant. The Grant is to be made upon the following terms and conditions:

1. The Principal Investigator is Sivasubramanian S. The project name is ""Synthesis and characterization of aluminium oxide nanoparticles from waste aluminium foil and potential application in aluminium-ion cell"" The total project grant award for the period of 2018 to 2019is Rs: 31000 [Thirty-one Thousand only]. The Supervising Institution is Bharath Institute of Higher Education and Research.

2. These requirements must be met and the project must begin on or before 05.08.2018.

3. This Grant shall be paid to the Supervising Institution, under whose supervision, and with the guidance of the Mentor, the Principal Investigator shall be responsible for the research or other activities that are required to complete this project.

4. Semi-annual project progress reports are due two months after the close of each six-month project period. The final progress report also includes a lay summary of the project and its accomplishments. A financial report is due two months after the end of each year of the project. If the entire project period is more than one year but less than two, financial reports are due two months after the end of the first year, and two months after the end date of the project. Ten percent of the total award is retained until all reports have been received and accepted by the Metropolis Healthcare Limited, Mumbai.

We wish you success in your research.

Sincerely,

For REPTILE CHROME FACTORY

We have examined your application for Grant of asset towards Research Project and have delight in illuminating you that the asset is endorsedon the basis of the furnishing the details of –

1. The name of the principal investigator: Ramaswamy R
2. The name of the project (Title):"Toxicity of Calcium Hydroxide Nanoparticles on Murine Fibroblast Cell Line"
3. The total project grant for the period from 2018 to 2019.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor:
6. Fund granted: 27000 (Twenty-SevenThousand Only)

Dependent upon the agreements as specified underneath:

1. Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so on
2. The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.
3. The Principal Investigator is answerable for the exercises of Research, which are needed to be finished for this task.
4. The first phase of delivering the Fund will emerge just on receipt of copy duplicate, appropriately endorsed for satisfying the conditions as referenced previously.

The half-yearly venture progress reports are to be submitted inside two months from the end of the undertaking time of once in a half year. The last report should cover a total synopsis of the Project and its happenings.

The monetary report is to be submitted inside two months of the fulfilment of the venture attempted each year. At the point when the total undertaking time frame takes season of over one year and/or under two years, then, at that point, the financial reports will be submitted inside two months after the finish of first year as first stage and inside two months after consummation of the task, as second stage.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

Dear Indhumathi N

We are pleased to inform you that your request for funding the Research Project titled ""Insulin-like growth factor 1 promotes the proliferation and committeddifferentiation of human dental pulp stem cells through MAPKpathways"" has been approved following a thorough review of its contents, including the fine points. Apart from providing the information of Principal Investigator Indhumathi N, the total cost of the Project is Rs. 28,500 (Twenty-Eight Thousand Five Hundred Only),the Institution is Bharath Institute of Higher Education and Research where the Project Research is proposed to conduct and Mentor.

Before undertaking the Project, please bear in mind the following:

a) The fund will not be sanctioned in one quantum and will be disbursed in stages.

b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.

e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

f) Reports on research activities and project progress are to be presented as needed.

As a token of acceptance of these terms and conditions, you are advised to sign in the duplicate copy of this letter and send it to us for further necessary action at our end.

Preparation of Reports, at regular intervals will facilitate us to disburse the fund in phases. When any delay in completing the project is noticed, valid reasons and justifications are to be stated.

We wish you all success.

Dear Sumathi P

We have scrutinized your application for Grant of fund towards Research Project and have pleasure in informing you that the fund is sanctioned on the basis of the furnishing the details of -

1. The name of the principal investigator: Sumathi P
2. The name of the project (Title):"Disclosing the physiology of pulp tissue for vitalpulp therapy"
3. The total project grant for the period from 2018 to 2019.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor:
6. Fund granted: 28000 (Twenty eightThousand Only)

Dependent upon the agreements as specified underneath:

- Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth
- The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.
- The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this undertaking.
- The first phase of delivering the Fund will emerge just on receipt of copy duplicate, appropriately endorsed for satisfying the conditions as referenced previously.

The semi-annual venture progress reports are to be submitted inside two months from the end of the undertaking time of once in a half year. The last report should cover a total rundown of the Project and its happenings. The monetary report is to be submitted inside two months of the consummation of the task attempted each year. At the point when the total task time frame takes season of over one year and/or under two years, then, at that point, the financial reports will be submitted inside two months after the finish of first year as first stage and inside two months after fulfilment of the undertaking, as second stage.

Dear Yamini R

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	"Metal Ion Releasing Gold Nanoparticles for Improving Therapeutic Efficiency of Tumor Targeted Photothermal Therapy"
Project Time	2018-2019
Total cost of the Project	28000 (Twenty Eight Thousand Only)
Name of the organization / Institution	Bharath Institute of Higher Education and Research
Principal Investigator	Yamini R
Mentor's Name	

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project's completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated.

All The Best

2. The name of the project (Title): Production of bioenzyme by fermentation of citrus peel
3. The total project grant for the period from 2018 to 2019.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Selvi
6. Fund granted: 27500

Dependent upon the agreements as specified beneath:

a)Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us.

Wishing you all success.

Dear Jeyapriya D

We are satisfied to illuminate you that your solicitation for financing the Research Project has been consented after cautious assessment of its substance including the amenities separated from giving the data of the accompanying:

Principal Investigator: Jeyapriya D

Total cost involved in the Project: 31,000

Project Title: Production of bioenzyme by fermentation of pineapple peel

Project Time: 2018-2019

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr.M.Manikandan

Prior to undertaking the Project, kindly remember the accompanying:

a) Fund won't be endorsed in one quantum and it will be delivered at various stages.
b) You need to deliver prove reports like Adequate confirmation for Registration, Receipt of IRB endorsement and so forth on the side of your case for financing help.
c) The Principal Investigator is the approved individual to explain any issues connecting with Project and the exercises of Research.
d) The ordinary method of making installment for the Institution (as embraced anyplace) will be followed.
e) A report on the Audited Statement on culmination of the task is to be introduced, as is being done typically.
f) Whenever required, the Reports are to be introduced in regards to the exercises of Research and Project progress.

As a badge of acknowledgment of these agreements, you are encouraged to sign in the copy duplicate of this letter and send it to us for additional essential activity at our end.

Readiness of Reports, at customary spans will work with us to dispense the asset in stages.

At the point when any postponement in finishing the task is seen, substantial reasons and defenses are to be expressed.

We wish you all success.

Dear Allin Geo AV

We are happy to inform you that your application for Grant of fund towards Research Project has been accepted and approve the sanction of amount in stages.

We hereby confirm the particulars (as given by you) in the requisite format.

Project Title: Green synthesis of gold nanoparticles using marine algae

Principal Investigator: Allin Geo AV

Total Project Cost: 26,000.00 (Twenty Six Thousand Only).

Duration of the Project: 2018-2019 (One Year)

Name of the Institution in which the Research Project is undertaken: Bharath Institute of Higher Education and Research.

Following are the terms and conditions:

- The fund will be paid to the Institution which is responsible for Supervision with the guidance of the Mentor.
- The Principal Investigator is accountable for the Research activities, required to complete the project.
- You have to fulfill the necessary Requirements and submit the Evidence for Proof of Registration, Proof of Receipt for IND approval, Proof of receipt of IRB approval, etc.
- The initial stage of payment will be released on receipt of this copy, duly signed for satisfying the conditions as stated above.
- You should submit a Report on the Audited Statement at the end of the Project.

The Reports on bi-annual project progress will have to be submitted within two months from the close of the project period of once in six months. The ending report should cover full précis of the Project and its events.

The financial report is to be submitted within two months of the completion of the project undertaken every year. If the completion of the project period is beyond one year but below two years, the financial reports are required to be submitted within two months after the end of first year and within two months after completion of the project, as per norms prescribed by us.

The final stage payment of fund will be granted on receipt of all reports, approved by us.

We wish you all success.

Dear Dr. Kavitha R

We are pleased to inform you that your request for funding the Research Project has been acceded after careful examination of its contents including the niceties apart from providing the information of the following:

Principal Investigator: Kavitha R

Total cost involved in the Project: 31000 [Thirty One thousand Only]

Project Title: Evaluation of catalytic activity of gold nanoparticles

Project Time: 2018-2019

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr. S. Praveen.

Before undertaking the Project, please bear in mind the following:

a) The fund will not be sanctioned in one lump sum and will be disbursed in stages.

b) To support your application for financing assistance, you must provide substantiating papers such as adequate proof of registration, receipt of IRB permission, and so on.

c) The Principal Investigator is the only person who can answer questions about the Project and Research activities.

d) The standard method for making a payment in the name of the Institution (as used elsewhere) will be followed.

e) At the end of the project, a report on the Audited Statement will be submitted, as is customary.

f) Reports on research activities and project progress are to be presented as needed.

You are recommended to sign the duplicate copy of this letter as a token of acceptance of these terms and conditions and send it to us for further action on our end. Reporting at regular intervals will make it easier for us to disburse the funds in stages. When a project's completion is delayed, valid explanations and justifications must be provided.

We wish you the best of luck.

Dear Vijayan T

We are pleased to inform you that the Metropolis Healthcare Limited, Mumbai has approved your application for an grant. The Grant is to be made upon the following terms and conditions:

1. The Principal Investigator is Vijayan T. The project name is "Green synthesis of silver nanoparticles using leaves of Lantana camara" The total project grant award for the period of 2018 to 2019 is Rs: 28000 [Twenty Eight Thousand only]. The Supervising Institution is Bharath Institute of Higher Education and Research. The Mentor is Dr.K.Parthiban. The financial contact is Dr. K.Parthiban.

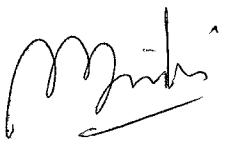

2. These requirements must be met and the project must begin on or before 05.08.2018.

3. This Grant shall be paid to the Supervising Institution, under whose supervision, and with the guidance of the Mentor, the Principal Investigator shall be responsible for the research or other activities that are required to complete this project.

4. Semiannual project progress reports are due two months after the close of each six-month project period. The final progress report also includes a lay summary of the project and its accomplishments. A financial report is due two months after the end of each year of the project. If the entire project period is more than one year but less than two, financial reports are due two months after the end of the first year, and two months after the end date of the project. Ten percent of the total award is retained until all reports have been received and accepted by the Metropolis Healthcare Limited, Mumbai.

We wish you success in your research.

Sincerely,

Dear Muthamizhan T.

We are pleased to inform you that your request for funding the studies challenge has been acceded after cautious exam of its contents including the niceties apart from supplying the statistics of the subsequent:

Principal Investigator: Muthamizhan T.

Total cost involved in the Project: Rs. 19500.00

ProjectTitle:Rabbit plasma IgA and IgM bind to secretory elements to form bioactive, sec retory-like antibodies

Project Time: 2018-2019

Institution where the Project Research is proposed: Bharath Institute of Higher Education and Research

Mentor: Dr.M.Praveen.

Before task the Project, please endure in thoughts the following:

I. Fund will not be sanctioned in a single quantum and it is going to be released at one of a kind phases.

II. You have to produce substantiate documents like adequate proof for Registration, Receipt of IRB approval and many others. In help of your declare for funding help.

III. The most important Investigator is the authorized man or woman to clarify any problems regarding undertaking and the sports of research.

IV. The regular manner of creating fee in favour of the group (as adopted everywhere) might be followed.

V. A file on the Audited declaration on crowning glory of the mission is to be presented, as is being executed typically.

VI. On every occasion required, the reports are to be presented concerning the sports of research and task development.

As a badge of acknowledgment of these agreements, you are encouraged to sign in the copy duplicate of this letter and send it to us for additional important activity at our end.

Planning of Reports, at normal stretches will work with us to dispense the asset in stages.

At the point when any deferral in finishing the undertaking is seen, legitimate reasons and avocations are to be expressed.

We wish you all success.

Dear Ilayaraja K.

We are happy to inform you that your application for Grant of fund towards Research Project has been accepted and approve the sanction of amount in stages.

We hereby confirm the particulars (as given by you) in the requisite format.

ProjectTitle:Immunoglobulins from Pteropus medius have been purified and characterised.

Principal Investigator: Ilayaraja K.

Total Project Cost:21500/-

Duration of the Project: 2018-2019 (One Year)

Name of the Institution in which the Research Project is undertaken: Bharath Institute of Higher Education and Research.

Following are the terms and conditions:

- The fund will be paid to the Institution which is responsible for Supervision with the guidance of the Mentor.
- The Principal Investigator is accountable for the Research activities, required to complete the project.
- You have to fulfill the necessary Requirements and submit the Evidence for Proof of Registration, Proof of Receipt for IND approval, Proof of receipt of IRB approval, etc.
- The initial stage of payment will be released on receipt of this copy, duly signed for satisfying the conditions as stated above.
- You should submit a Report on the Audited Statement at the end of the Project.

The Reports on bi-annual project progress will have to be submitted within two months from the close of the project period of once in six months. The ending report should cover full précis of the Project and its events.

The financial report is to be submitted within two months of the completion of the project undertaken every year. If the completion of the project period is beyond one year but below two years, the financial reports are required to be submitted within two months after the end of first year and within two months after completion of the project, as per norms prescribed by us.

The final stage payment of fund will be granted on receipt of all reports, approved by us.

We wish you all success.

Dear….. Aarthi Harini T.

We are ecstatic to inform you that your request for funding for the Research Project titled "A Negative Regulator of Drug Resistance in Gastric Cancer Is Transcription Factor CUTL1" has been approved following a careful review of all of its contents, down to the smallest detail. The project will be titled "Assessment of biodiesel's combustion, performance, and emission aspects in a thermal barrier coated diesel engine." The mentor for this project is Dr. K. Anu Priya, who works at the Bharath Institute of Higher Education and Research. The project's total cost is 13,500.

Before you get started on the project, make sure you keep the following in mind:

a) Rather than making a single payment in the form of a large quantity of money, the money might be paid for in installments.

b) You must provide evidence to support your application for financial help, such as official proof of registration, approval from the IRB, and other such items.

c) If you have any questions about the project or the research that is being done on it, the only person who can answer such questions is the Principal Investigator.

d) The established protocol for making a payment in the name of the Institution has to be adhered to at all times (as provided below).

g) Upon completion of the project, a report on the Audited Statement will be prepared by standard practice.

f) Whenever it is required, updates on the research progress and the project shall be sent.

As evidence that you have read, understood and agreed to be bound by these terms and conditions, you must sign this letter and send us a duplicate copy. If you can provide updates frequently, releasing the cash in phases is much more straightforward for us. It is necessary to provide valid reasoning and explanations if there is a delay in the eexecutingoject.

With warmest regards

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	Pectinase production by Aspergillus fumigatus in submerged and solid st ate fermentation utilising fibre waste as a substrate
Project Time	2017 - 2018
Total cost of the Project	21500/-
Name of the organization / Institution:	Bharath Institute of Higher Education and Research
Principal Investigator	Tulip D.R.E.
Mentor's Name	Saisathya

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project's completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated. All the best.

We are very glad to inform you that your Research Project has been considered for grant of Fund, after a thorough study of your request and details of the following,

Title	Developing long-term solutions to treat anaemia in rural school children
Project Time	2017-2018
Total cost of the Project	19500/-
Name of the organization / Institution:	Bharath Institute of Higher Education and Research
Principal Investigator	Anuradha C
Mentor's Name	Samrudhi

Please note that the Fund will be sanctioned in multi stages. In order to facilitate us to effect the payment in accordance with the above, the terms and conditions, as listed below, are to be fulfilled by you:

Kindly ensure that the Principal Investigator is the only one who is responsible for the project's completion. The funding will only be granted to the Institution because it is responsible for supervising and mentoring. On completion of the project, a report on the Audited Statement must be submitted. Reports on the progress of the project must be submitted as and when requested (often once every six months) in the required format. If the above terms and conditions are acceptable to you, you should sign and return a copy of this letter as the first step in completing the fund payment. In the unlikely event that the job is not completed on time, you will be compensated. All the best

Dear Balambica V

We have reviewed your application for a grant of funds for a research project and are pleased to inform you that the fund has been sanctioned based on the information provided.

1. The name of the principal investigator: Balambica V
2. The name of the project (Title): Servo motor control for avionics applications on a PC3. The total project grant for the period from 2017 to 2018.
4. The name of the Institution: Bharath Institute of Higher Education and Research
5. The name of the Mentor: Selvi
6. Fund granted: 17500/-

Meeting out the Requirements completely for Proof of Registration, Proof of receipt of IRB endorsement, Proof of Receipt for IND endorsement and so forth

b) The Grant will be paid straightforwardly to the Institution under whose watch with the direction of the Mentor.

c) The Principal Investigator is liable for the exercises of Research, which are needed to be finished for this task.

The primary phase of delivering the Fund will begin only after receipt of a copy duplicate that has been appropriately endorsed for meeting the above mentioned standards.

The bi-annual project progress reports must be submitted within two months after the end of the six-month project period. The final report should include a comprehensive summary of the Project's activities.

Every year, the financial report must be provided within two months of the completion of the project. When the entire project length is more than one year and/or less than two years, the financial reports must be provided within two months of the end of the first year as the first phase and within two months of the completion of the second year as the second phase.

A partial amount as final stage payment will be released on receipt of all reports, accepted by us. Wishing you all success.

Dear Babu P.B.R.

We are happy to inform you that your application for Grant of fund towards Research Project has been accepted and approve the sanction of amount in stages.
We hereby confirm the particulars (as given by you) in the requisite format.

Project Title: Enhancement of heat exchanger performance by employing mesh plates in parallel and counterflows

Principal Investigator: Babu P.B.R.

Total Project Cost: 21500/-.

Duration of the Project: 2017-2018 (One Year)

Name of the Institution in which the Research Project is undertaken: Bharath Institute of Higher Education and Research.

Following are the terms and conditions:

- The fund will be paid to the Institution which is responsible for Supervision with the guidance of the Mentor.
- The Principal Investigator is accountable for the Research activities, required to complete the project.
- You have to fulfill the necessary Requirements and submit the Evidence for Proof of Registration, Proof of Receipt for IND approval, Proof of receipt of IRB approval, etc.
- The initial stage of payment will be released on receipt of this copy, duly signed for satisfying the conditions as stated above.
- You should submit a Report on the Audited Statement at the end of the Project.

The Reports on bi-annual project progress will have to be submitted within two months from the close of the project period of once in six months. The ending report should cover full précis of the Project and its events.

The financial report is to be submitted within two months of the completion of the project undertaken every year. If the completion of the project period is beyond one year but below two years, the financial reports are required to be submitted within two months after the end of first year and within two months after completion of the project, as per norms prescribed by us.

The final stage payment of fund will be granted on receipt of all reports, approved by us.

We wish you all success.

IDRF/2017/SO/0145 07.07.2017

Dear Sundararajan M.

We are ecstatic to inform you that your request for funding for the Research Project titled "Assessment of combustion, performance, and emission aspects of biodiesel in a thermal barrier coated diesel engine" has been approved following a careful review of all of its contents, down to the smallest detail. The project will be titled "Design and installation of a vehicle communication system with a location tracker based on wi-fi technology.." The mentor for this project is Dr. K. Anu Priya, who works at the Bharath Institute of Higher Education and Research. The project's total cost is 14,500/-

Before you get started on the project, make sure you keep the following in mind:

a) Rather than making a single payment in the form of a large quantity of money, the money might be paid for in installments.

b) You must provide evidence to support your application for financial help, such as official proof of registration, approval from the IRB, and other such items.

c) If you have any questions about the project or the research that is being done on it, the only person who can answer such questions is the Principal Investigator.

d) The established protocol for making a payment in the name of the Institution has to be adhered to at all times (as provided below).

g) Upon completion of the project, a report on the Audited Statement will be prepared by standard practice.

f) Whenever it is required, updates on the research progress and the project shall be sent.

As evidence that you have read, understood and agreed to be bound by these terms and conditions, you must sign this letter and send us a duplicate copy. If you can provide updates frequently, releasing the cash in phases is much more straightforward for us. It is necessary to provide valid reasoning and explanations if there is a delay in the eexecutingoject.

With warmest regards
